**The War in the Pacific** Philip A. Crowl,1995    **The War in the Pacific** Philip Axtell Crowl,1960    **War in the Pacific** Philip A. Crowl,1993-11 Describes joint Army Naval and Marine operations to capture Saipan Tinian and Guam and the development of these islands as bases for further American joint operations against the Japanese homeland Includes maps tables charts illustrations appendixes bibliographical note glossary and index    **The War in the Pacific** Crowl. Philip A.,1985    United States Army in World War 2, War in the Pacific, Campaign in the Marianas (Hardcover) , Describes joint Army Naval and Marine operations to capture Saipan Tinian and Guam and the development of these islands as bases for further American joint operations against the Japanese homeland Includes maps tables charts illustrations appendixes bibliographical note glossary and index    **Campaign in the Marianas** Phillip A. Crowl,2019-05-14 This volume describes the fight for the islands of Saipan Tinian and Guam in the Southern Marianas the strategic and tactical plans leading thereto supporting operations by naval and air units and the final development and exploitation of these islands as bases for furtherance of American joint operations against the Japanese homeland This volume is a companion piece to Seizure of the Gilberts and Marshalls by Philip A Crowl and Edmund G Love also published in the Pacific subseries of the UNITED STATES ARMY IN WORLD WAR II Together the two volumes cover the beginning and climax although not the conclusion of the Central Pacific phase of the war against Japan with special emphasis of course on the U S Army's contribution to the victories won in that area 1 Specifically Campaign in the Marianas treats of the capture of Saipan Tinian and Guam in the southern Marianas the strategic and tactical plans leading thereto supporting operations by naval and air units and the final development and exploitation of these islands as bases for furtherance of American joint operations against the Japanese homeland The word joint cannot be overemphasized in connection with any consideration of U S operations in the Central Pacific It was predominantly a U S Navy theater under the command of Admiral Chester W Nimitz The main burden of the amphibious and ground fighting in the Marianas as in the Gilberts and Marshalls fell on the shoulders of the U S Marine Corps whose troops far outnumbered those of the U S Army The author recognizes this and recognizes also that by concentrating on the activities of the Army this volume in a sense presents a distorted picture The distortion is deliberate The book represents by definition one segment of the history of the U S Army in World War II Excellent official and semiofficial histories of U S Navy and U S Marine Corps operations in the Marianas have already been published The present narrative of Army activities should add in some measure to what has already been written about the campaign The reader may also gain additional insight into the nature of joint operations and interservice coordination    The War in the Pacific ,1960 S geord Pacific War Stillehavskrigen Japanske Styrker Fl de H rystyrker US Navy Marines Strategi Taktik Guam Aslito Logistik Forsyninger Transport Nafutan Point Saipan Tinian Barrigada 77th Infantry Division US Mount Santa Rosa Ushi Terr n Vejrførhold Stillehavserne Smith H M Smith R C Solomon Islands MacArthur SWPA Syd stasien Palau Philippines Nimitz C

In the capture of the southern Marianas including the recapture of Guam during the summer of 1944 Army ground and air forces played an important though subordinate role to that of the Navy and its Marine Corps Marine personnel constituted the bulk of the combat troops employed The objective of this campaign was to secure control of sea communications through the Central Pacific by isolating and neutralizing the Carolines and by the establishment of sea and air bases for operations against Japanese sea routes and long range air attacks against the Japanese home land Its success would provide steppingstones from which the Americans could threaten further attack westward toward the Philippines Formosa and Japan itself and would gain bases from which the Army Air Forces new very long range bombers the B 29 s could strike at Japan s heartland Recognizing and accepting the challenge the Japanese Navy suffered heavy and irreplaceable losses in the accompanying Battle of the Philippine Sea and the islands after capture became the base for all the massive air attacks on Japan beginning in November 1944 In the operations described in the present volume landings against strong opposition demonstrated the soundness of the amphibious doctrine and techniques evolved out of hard experience in preceding Pacific operations Bitter inland fighting followed the landings with Army and Marine Corps divisions engaged side by side The author s account and corresponding Marine Corps histories of these operations provide ample opportunity to study the differences in the fighting techniques of the two services Dr Crowl also deals frankly with one of the best known controversies of World War II that of Smith versus Smith but concludes that it was the exception to generally excellent interservice co operation With team effort among the military services the order of the day this record of the Army s experience in working with the Navy and the Marine Corps should be particularly valuable both now and in the future

to the Mariana Islands Guam Saipan and Tinian which were close enough to Tokyo to place the Japanese capital within the operational range of the new Boeing B twenty nine Superfortress The attack upon Saipan the most heavily defended of the Marianas took the Japanese by surprise but over the course of more than three weeks the twenty nine zero Japanese defenders defied the might of seventy one zero U S Marines and infantry supported by fifteen battleships and eleven cruisers The storming of the beaches and the mountainous interior cost the U S troops dearly in what was the most costly battle to date in the Pacific War Eventually after three weeks of savage fighting which saw the Japanese who refused to surrender being burned to death in their caves the enemy commander Lieutenant General Saito was left with just three zero able bodied men and he ordered them to deliver a final suicide banzai charge With the wounded limping behind along with numbers of civilians the Japanese overran two U S battalions before the four 500 men were wiped out It was the largest banzai attack of the Pacific War As well as placing the Americans within striking distance of Tokyo the capture of Saipan also opened the way for General MacArthur to mount his invasion of the Philippines and resulted in the resignation of the Japanese Prime Minister Tojo This is a highly illustrated story of what U S General Holland Smith called the decisive battle of the Pacific offensive It was he added the offensive that opened the way to the Japanese home islands Highly recommended for anyone interested in the Pacific War island hopping campaign in the Marianas AMPS
