The Water Cure A Novel:

The Water Cure Sophie Mackintosh, 2019-01-08 A gripping sinister fable Margaret Atwood via Twitter ONE OF THE BEST BOOKS OF THE YEAR NPR GLAMOUR GOOD HOUSEKEEPING LIT HUB THRILLIST King has tenderly staked out a territory for his wife and three daughters Grace Lia and Sky Here on his island women are protected from the chaos and violence of men on the mainland The cult like rituals and therapies they endure fortify them from the spreading toxicity of a degrading world But when King disappears and two men and a boy wash ashore the sisters safe world begins to unravel Over the span of one blistering hot week a psychological cat and mouse game plays out Sexual tensions and sibling rivalries flare as the sisters are forced to confront the amorphous threat the strangers represent A haunting riveting debut **The Water Cure** is a fiercely poetic feminist revenge fantasy that is a startling reflection of our time

The Water Cure Percival Everett, 2011-09-13 I am guilty not because of my actions to which I freely admit but for my accession admission confession that I executed these actions with not only deliberation and premeditation but with zeal and paroxysm and purpose The true answer to your question is shorter than the lie Did you I did This is a confession of a victim turned villain When Ishmael Kidder's eleven year old daughter is brutally murdered it stands to reason that he must take revenge by any means necessary The punishment is carried out without guilt and with the usual equipment duct tape rope and superglue But the tools of psychological torture prove to be the most devastating of all Percival Everett's most lacerating indictment to date **The Water Cure** follows the gruesome reasoning and execution of revenge in a society that has lost a common moral ground where rules are meaningless A master storyteller Everett draws upon disparate elements of Western philosophy language theory and military intelligence reports to create a terrifying story of loss anger and helplessness in our modern world This is a timely and important novel that confronts the dark legacy of the Bush years and the state of America today

Water Cure The Sophie Mackintosh, 2018-05 Once upon a time damaged women came here to be cured We took them in fed them glasses of our clean good water let them scream at the waves till their lips split like ripe fruit Now no one is left but my sisters and me King died a year ago quite suddenly Mother has vanished no one knows where And the safe compound they built around us far away from the toxic world has finally been breached Three men arrived last week washed up by the sea their gazes hungry and insistent We remember now what our father taught us If the men come to you show yourself some mercy Don't stick around and wait for them to put you out of your misery

The Water Cure Sophie Mackintosh, 2020-06-02 The Handmaid's Tale meets The Virgin Suicides in this dystopic feminist revenge fantasy about three sisters on an isolated island raised to fear men A gripping sinister fable Margaret Atwood via Twitter King has tenderly staked out a territory for his wife and three daughters He has lain the barbed wire he has anchored the buoys in the water he has marked out a clear message Do not enter Or viewed from another angle Not safe to leave Here women are protected from the chaos and violence of men on the mainland The cult like rituals and therapies they endure fortify them from the spreading toxicity of a degrading world

But when their father the only man they've ever seen disappears the sisters retreat further inward until the day two men and a boy wash ashore Over the span of one blistering hot week a psychological cat and mouse game plays out Sexual tensions and sibling rivalries flare as the sisters confront the amorphous threat the strangers represent Can they survive this invasion And will the male intruders A haunting riveting debut about the capacity for violence and the potency of female desire The Water Cure both devastates and astonishes as it reflects our own world back at us *My Water Cure* Sebastian Kneipp, 1843
