philosophy medical anthropology physical therapy and nursing helping readers re think ethics across the disciplines in the context of today's healthcare system Diverse voices often unheard challenge readers to enlarge the circle of their ethical concerns and look for hidden pathways toward new understandings of ethics Essays range from a focus on the context of corporatization and managed care environments to a call for questioning the fundamental values of society as these values silently affect many others in healthcare Each chapter is followed by a brief essay that highlights issues useful for scholarly research and classroom discussion The conversations of interpretive research in healthcare contained in this volume encourage readers to re think ethics in ways that will help to create an ethical healthcare system with a future of new possibilities Outstanding Academic Title Choice Magazine

The Whispering Woods Miriam Richardson, 1994-12-13 Black

Hollow The name itself conjures a sense of dread whispering of secrets buried deep beneath the surface of a town shrouded in fear and superstition A place where the past clings to the present where the whispers of the dead carry a chilling weight and where the lines between reality and myth blur into an unsettling tapestry of the unknown Detective Sophie Barnes a seasoned investigator with a sharp mind and an unwavering belief in logic finds herself drawn into the chilling mystery that engulfs Black Hollow A young girl Amelia has been found dead within the eerie Whispering Woods her death attributed by the villagers to the vengeful spirit that haunts the town Sophie a rational woman who dismisses the supernatural as mere folklore sets out to uncover the truth behind Amelia's death But as she delves deeper into the case she encounters a web of secrets that defy logic whispers that seem to carry a voice of their own and an unsettling energy that permeates the very air of Black Hollow The murders that follow each bearing the mark of the bizarre and inexplicable force Sophie to confront the

terrifying reality that the whispers of the woods might hold more truth than she ever imagined Prepare to step into a world where the living and the dead walk side by side where fear is a tangible force and where the chilling truth can unravel even the strongest mind     *Index to Short Stories* ,1929     *Strange Stories of Coincidence and Ghostly Adventure* ,1888     **All the way to Fairy stories** Evelyn Sharp,1897     **A Gem of an Aunt, and the Treat She Gave.
