for the quiet werewolf although Theo has grown even more withdrawn in Zeki's absence. When town gossip informs Zeki that Theo is suffering from a mate's rejection, Zeki is outraged on Theo's behalf but also wonders if this means he might finally be able to at least get Theo to consider him. For that, Zeki would stay in Wolf's Paw no matter what it cost him. Werewolves usually don't recover from losing their mates, and Theo barely pulled through. Now he doesn't know what to think when this new, braver Zeki attempts to woo him. It's almost as if Zeki doesn't have a clue that he is the one who broke Theo's heart. But they are grown up now, and the magic the town fears might have drawn them back together for an unprecedented second chance. If anyone can figure out how to woo their mate after messing it up the first time, it might be a clever human wizard and werewolf with hidden talents. The Hating Game meets Legends Lattes in this captivating and hilarious fantasy rom-com with a twist about two enemies who must work together to return to their reality. Courtney's only goal in life is to have no goals. A reformed overachiever, she's content with her dead-end job and simple existence. And her feud with her neighbor Bryce brings her immense joy. Everything is perfect. Until Courtney and Bryce are pulled through a portal and flung into a fantasy world where they are met by a prophecy-obsessed sage who claims one of them must be the Chosen One, destined to save them all from an unknown Evil One. Neither of them wants the job, but also refuse to let the other have the glory. Unfortunately, in their efforts to save the world, they unleash more chaos by accidentally freeing a dragon, summoning an undead army, and almost poisoning their mentor with peanut butter. To return to their world, Courtney and Bryce, a snarky underachiever and a grumpy hermit, must charm and endear themselves to the people of this fantasy world or each other to be able to use magic. With time running out and the threat of the Evil One looming, they must work together to become worthy heroes if they ever want to make it home again. Or else be doomed to eternity in a universe without running water and with each other forever. **The White Wolf** Molly Lewis, 2023-01-09

Angelica Moon had never dreamed of anything more than being saved by her mate and starting a brand new family, but just like in most stories, happy endings don't always turn out as expected, and occasionally there isn't even a happy ending waiting for you. When Angelica was a young child, criminals killed her parents, and everyone, including her own brother, blamed her. She is now the smallest member of the group, and one day she decides enough is enough, and she departs. Little does anybody know, Angelica is special, and she is aware of it, but she is unaware that she is much more than just the only living example of a white wolf. Even though she possesses these abilities, Angelica has never utilised them to hurt herself or others in her immediate vicinity. Angelica has only ever asked one question in response to everyone who has hurt her and made her struggle: Why me? *A Moonshiner's Guide to Yarn Grimoires*
