## **Vinyl Junkies Adventures In Record Collecting:**

*Vinyl Junkies* Brett Milano,2003-11-10 Publisher Description *Wax Trash and Vinyl Treasures: Record Collecting as a Social Practice* Roy Shuker,2017-07-05 The term record collecting is shorthand for a variety of related practices Foremost is the collection of sound recordings in various formats although often with a marked preference for vinyl by individuals and it is this dimension of record collecting that is the focus of this book Record collecting and the public stereotypes associated with it is frequently linked primarily with rock and pop music Roy Shuker focuses on these broad styles but also includes other genres and their collectors notably jazz blues exotica and ethnic music Accordingly the study examines the history of record collecting profiles collectors and the collecting process considers categories especially music genres and types of record collecting and outlines and discusses the infrastructure within which collecting operates Shuker situates this discussion within the broader literature on collecting along with issues of cultural consumption social identity and the construction of self in contemporary society Record collecting is both fascinating in its own right and provides insights into broader issues of nostalgia consumption and material culture

## **Vinyl Records and Analog Culture in the Digital Age**

Paul E. Winters,2016-07-18 *Vinyl Records and Analog Culture in the Digital Age* Pressing Matters examines the resurgence of vinyl record technologies in the twenty first century and their place in the history of analog sound and the recording industry It seeks to answer the questions why has this supposedly outmoded format made a comeback in a digital culture into which it might appear to be unwelcome Why in an era of disembodied pleasures afforded to us in this age of cloud computing would listeners seek out this remnant of the late nineteenth century and bring it seemingly back from the grave Why do many listeners believe vinyl with its obvious drawbacks to be a superior format for conveying music to the relatively noiseless CD or digital file This book looks at the ways in which music technologies are both inflected by and inflect human interactions creating discourses practices disciplines and communities
