Visions The Souls Path To The Sacred:

Visions Eddie Ensley, 2000 ACCOUNTS OF SPIRITUAL VISIONS *Vision Stories* John E. Sumwalt, 2002 What if Moses had never told anyone about the burning bush What if Paul had kept quiet about his experience on the road to Damascus What if John had never written a word of what he saw during his exile on Patmos The Bible is filled with mystical stories yet modern culture is often uncomfortable with the concept of spiritual visions Though a recent study showed that as many as 44% of Americans have had some sort of mystical experience people are frequently hesitant to share holy moments that might seem strange to others But John Sumwalt discovered that whenever a small group is gathered together and a vision story is told two or three others will recount a similar episode Almost everyone has either a personal vision story or knows of a friend's experience and if they know that its sacredness will be honored most people want to tell their story This remarkable collection shares 69 authentic life changing narratives that witness to the Lord's power and presence Many of these intensely personal accounts have never been told before and whether they concern visions healing or answers to prayer they all demonstrate our spiritual thirst as well as the indescribable joy comfort and peace that comes from encountering the divine Each illustrates a scripture passage from Cycle B of the Revised Common Lectionary so *Vision Stories* is an especially valuable resource for lectionary preaching But even more it's inspiring reading for personal devotion and spiritual growth This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of *New Testament Stories from the Back Side* John Sumwalt has given us a treasury of God's meetings with the daily lives of people Too often we think of God as hidden away in the stories of the Bible Here we see God now encountering people in surprising ways of grace May these stories encourage us to tell one another our stories of God's meetings with us as well Dwight Judy Author of *Quest for the Mystical Christ* I am very impressed with *Vision Stories* as a resource for preaching teaching and spiritual formation reading These stories help us to meet what may be the greatest spiritual need of our time to know and to share the experience of the reality of God and the spiritual realm in a materialistic world Charles R Gipson Author of *The Three Year Community for Spiritual Formation* Through stories and scriptural comparisons Sumwalt offers insight into the extraordinary spiritual experiences of ordinary people Cheryl Kirking Author of *Ripples of Joy* A noted storyteller John E Sumwalt is the senior pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS acclaimed *Lectionary Stories* series Sumwalt leads seminars and retreats on sharing and understanding visions **Blessed Assurance Through Visions and Dreams** Christal Mae Bindrich, 2012-11-08 God answers prayers in sometimes radical and unexpected ways That's just one lesson shared by author Christal Bindrich as she recounts her many dreams and visions including mystical experiences with deceased loved ones and even an encounter with Jesus in *Blessed Assurance through Visions and Dreams* She writes her story to give voice to all those who have experienced wonderful spiritual events that give them blessed assurance of a loving

an intellectual animal born to pursue the good to know the true and to contemplate all things in beauty By turns a study in fundamental ontology aesthetics and political philosophy Wilson s book invites its readers to a renewal of the West s intellectual tradition Conservatism needs a new prophet James Matthew Wilson is the man for the job and The Vision of the Soul is his calling card A new classic For it we give thanks to God and to Plato Covenant James Wilson s important book returns to a conservatism in the tradition of Burke Eliot and Russell Kirk He wants us to focus on beauty and its place in Western culture The book is a strong defense of that culture but not an unthinking one Crisis Magazine A stirring and timely account and defense of the West s traditional way of understanding the universe and our place in it Matthew M Robare The Kirk Center
