Mason Calder presents step-by-step advice to guide aspiring authors to a successful publication and focus not only on how to write well but also on how to market and sell their work. Highlights include: Discussion of how to identify an audience for your writing project; Tips for effective research and planning; Sample documents such as contracts and requests for proposals; Discussion of how to use social media to leverage your publication; Discussion of the benefits and drawbacks to self-publishing; An essay by Gregory Britton, the editorial director of John Hopkins University Press, about financial pitfalls in publishing. This guide is useful for first-time authors who need help with this sometimes daunting process or for previously published historians who need a quick reference or timely tip. **A Pocket Style Manual, APA**
