

The background of the book cover is a collage of various elements related to health and medicine. It includes several green herbs with small leaves, possibly basil or oregano, and various colored pills and capsules in shades of red, yellow, green, and orange. The central text is framed by a thin gold border.

Vitamins Herbs Minerals Supplements The Complete Guide:

Vitamins Herbs Minerals Revis H. Winter Griffith, 1998 Newly updated with all the information about popular vitamins Dr Griffith's revised edition gives people what they are looking for in unique at a glance chart formats ***Vitamins, Herbs, Minerals & Supplements*** H. Winter Griffith, 1999-03 Newly updated with all the information about popular vitamins Dr Griffith's revised edition gives people what they are looking for in unique at a glance chart formats ***Vitamins, Herbs, Minerals, & Supplements*** H. Winter Griffith, 1998 ***The Journey Through Cancer*** Dr. Jeremy Geffen, 2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life's deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit

Marine Products for Healthcare Vazhiyil Venugopal, 2008-10-20 Considered Mother Nature's medicine cabinet in many areas of the world marine organisms have been known from time immemorial to possess curative powers But until recently their bioactive compounds nutraceutical properties and commercial potential remained undiscovered Bringing together widely scattered literature Marine Products for Healthcare Functional and Bioactive Nutraceutical Compounds from the Ocean discusses the importance of marine products as a source of nutraceuticals food additives and other useful ingredients in health protection and product formulation The book begins with a discussion of the general characteristics of functional foods and an overview of the functionality of marine fishery products It includes detailed discussions on nutraceutical and other functional properties of their seafood components including proteins bioactive peptides polyunsaturated fatty acids

polysaccharides chondroitin carotenoids minerals and shell waste products Other chapters examine the role of seaweeds as food supplements additives and bioactive compounds microalgae and corals rich in nutrients pigments and therapeutic agents and secondary metabolites of corals particularly sponges that have potential as lifesaving drugs The book also explores recent developments in food fortification packaging and drug delivery systems with particular reference with marine ingredients and concludes with a delineation of the safety hazards posed by some marine products The science of discovering health promoting compounds from marine sources and techniques for extracting and purifying these chemicals is advancing More than just a review of the science and market base available for the development of marine nutraceutical functional food this book provides a greater understanding of how consumer attitude and legal concerns will impact the kind of products that can be made
