These features support the core goals of the introductory French course: communicative and cultural competence and lay the groundwork for student success. *Connect French* and *LearnSmart*. In its sixth edition, *Vis-à-vis* continues to evolve to meet the changing needs of instructors and students by responding to feedback from these users themselves. Employing a wide array of research tools, we identified a number of areas for potential innovation. On the digital side, this new edition offers *Connect French* and *LearnSmart* with their unparalleled adaptive and digital learning resources. These powerful tools are now an integral part of the sixth edition, complement and support the goals of the *Vis-à-vis* program and address the needs of the evolving introductory French course. *Connect* is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective. *Connect French*, including but not limited to the workbook, lab manual, *LearnSmart*, the video program and chat tools, is sold separately and does not come automatically with the purchase of the textbook. *Vis-à-vis* Evelyne Amon, Judith A.
