Marcus Dods, 2015-07-19 Excerpt from *The Visions of a Prophet* Studies in Zechariah In the first two chapters of this Book there are recorded three visions all of them of an encouraging character They were seen by the prophet by night and probably while he slept And as Dante in his vision represents himself as accompanied by a guide who interpreted to him all that he saw so Zechariah unable himself to understand the meaning of what he saw is instructed by an angel that appeared to talk with him in his sleep In the first vision Zechariah sees with all the vividness which characterises the scenes to which dreams introduce us a bottom or small plot of hollow low lying ground planted with myrtle trees About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Night Visions of a Prophet Aimee Prophet, 2008-07-01 This book is about Aimee Prophet's vision of what the future might be like if we continue to elect people who are more interested in war than the needs of the nation's people It is written under a pen name as the author does not wish to reveal their identity *The Seer* Jim W. Goll, 2004 The prophetic movements in church history and in contemporary life are fed by two mighty streams the prophet whose revelation is primarily verbal and the seer whose revelation is more visionary in nature While the role of the prophet is familiar less is known about the seer dimension To many people these visionary prophets remain mysterious otherworldly and even strange **The Visions of a Prophet, Studies in Zechariah** HardPress, Marcus Dods, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where

there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Visions of a Prophet** Marcus Dods,2017-08-19 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates **The Book of the Twelve Prophets** George Adam Smith,1901

Knysh,2012-02-01 Dreams and visions have always been important in Islamic societies Yet their pervasive impact on Muslim communities and on the lives of individual Muslims remains largely unknown and rather surprising to Westerners This book addresses this gap in understanding with a fascinating and diverse account taking readers from premodern Islam to the present day Dreams and visions are shown to have been and to be significant in a range of social educational and cultural roles The book includes a wealth of examples detailing the Sufi experience Contributors use Arabic Persian Indian Central Asian and Ottoman sources and employ approaches grounded in history sociology psychology anthropology religious studies and literary analysis This is an illuminating work showing how ordinary Muslims Muslim notables Sufis legal scholars and rulers have perceived both themselves and the world around them through the prism of dreams and visions **The Prophets of Israel and Their Place in History to the Close of the Eighth Century** B. **The Book of the Prophet Daniel** Carl Friedrich Keil,1877 **The Christian Dreams, Visions, and Prophecy** R. G. Grey,2018-07-09 Please do not let any one turn you into a prophet with there educated head knowledge the teaching is out

there that all Christian can prophesy which is far from the truth For a person to prophesy mean that you must have the gift to do so because God talk to the prophet and gave him or her messages and I am not talking about preaching teaching evangelism or comforting Eph 4 v11 said And he gave some apostles and some prophets and some evangelist and some pastors and teachers The scripture is very clear that God is the one who put prophets in the church and not man The message is very clear from Num 12 please do not try to make yourself a prophet please read the chapter v6 And the Lord said unto Miriam and Aaron Hear now my words If there be a prophet among you I the Lord will make myself known unto him in a vision and will speak to him in a dream This is the working of the Holy Spirit a revelation and not man teaching you how you can prophesy
