

## The Open Window by Saki Reading Comprehension

In this reading comprehension activity, you will explore the open window, a short story by British writer Saki, as told from the perspective of a guest. This reading activity will include focus, questions and an anticipation guide, so you have just enough time to have the author reading tape and directions to facilitate a full response and follow a complete reading. This story also offers an example of the writer's art in where humor is subtle, ironic and often comes from understatements or exaggerations.

### About the Author

Walter James Saki (1870-1916), better known by his pen name Saki, was a British author and writer. He is famous for his short stories that often play on a sense of mystery or suspense. His stories are usually short, sharp and full of twists – often surprising people's sense of familiarity.

### Topic

- Read the short story, The Open Window, carefully.
- Use the provided answer provided to help with the reading.
- Complete the comprehension questions on the next page.
- Reflect on how the story uses foreshadowing, suspense, irony and other literary techniques to humor readers.

### My First Reading Comprehension

“Is self-preserved young or old?”

Using what I already know, I can say that the man is old because he is trying to keep the house nice.

I am going to keep the old man's guess in writing. I will just give you some of them, as I see fit.

So what he was preserving about him?

I would say he was preserving about him.

He seems like the perfect

kind of handwriting you

expect to see in a writing book.

## **Reading Comprehension In The Us Open Now:**

**Reading Comprehension** Camille L. Z. Blachowicz, Donna Ogle, 2008-05-05 This practical resource and widely used text presents a wealth of research based approaches to comprehension instruction. The authors offer specific classroom practices that help K-9 students compare and evaluate print and online sources, develop vocabulary, build study and test-taking skills, and become motivated readers.

**Cognitive Psychology and Reading in the USSR** J. Downing, 1988-01-01 The ideas of Soviet specialists on the psychology and teaching of reading are here made available in English. The volume gives an overview of psychology and education in the USSR and presents translations of the work of major Soviet authors such as Elkonin and Luria. The contributions offer many valuable proposals for teaching literacy which are quite unique outside of the Soviet Union. A concluding chapter provides a commentary tracing the links between these specialist contributions and the general cognitive theories of Vygotsky. The result of ten years of research this book was completed by Professor Downing shortly before he passed away in June 1987.

**Handbook of Language and Literacy** C. Addison Stone, Elaine R. Silliman, Barbara J. Ehren, Geraldine P. Wallach, 2013-09-24 An acclaimed reference that fills a significant gap in the literature this volume examines the linkages between spoken and written language development both typical and atypical. Leading authorities address the impact of specific language related processes on K-12 literacy learning with attention to cognitive, neurobiological, sociocultural and instructional issues. Approaches to achieving optimal learning outcomes with diverse students are reviewed. The volume presents research based practices for assessing student needs and providing effective instruction in all aspects of literacy word recognition, reading comprehension, writing and spelling. New to This Edition Chapters on digital literacy, disciplinary literacy, and integrative research designs. Chapters on bilingualism, response to intervention, and English language learners. Incorporates nearly a decade's worth of empirical and theoretical advances. Numerous prior edition chapters have been completely rewritten.
