Sita's Sister Kavita Kane, 2014-12-01 From the bestselling author of *Karna's Wife* comes this book about Urmila Sita's sister and the neglected wife of Lakshman and one of the most overlooked characters in the Ramayana As Sita prepares to go into exile her younger sisters stay back at the doomed palace of Ayodhya their smiles hope and joy wiped away in a single stroke And through the tears and the tragedy one woman of immense strength and conviction stands apart Urmila whose husband Lakshman has chosen to accompany his brother Ram to the forest rather than stay with his bride She could have insisted on joining Lakshman as did Sita with Ram But she did not Why did she agree to be left behind in the palace waiting for her husband for fourteen painfully long years

Sita's Daughters Leigh Minturn, 1993 Sita's Daughters vividly recounts the dramatic changes in role and status experienced by Rajput caste women in the Indian village Khalapur between 1955 and 1975 In the 20 years between her now classic original field study and her follow up with the same families Leigh Minturn witnessed a significant decline in the women's observance of a complex system of customs collectively called purdah which includes the wearing of veils silence in the presence of senior men and women the adoption of subservient postures when speaking to men and the separation of husbands and wives Her interviews with mothers and daughters in law reveal how changes in purdah customs and religious traditions have allowed them increased access to education and health facilities control of finances and autonomy inside and mobility outside of their husbands households This work is unprecedented in its depth scope and exposition of the intimate details of the lives of Indian women Minturn's return to her original subjects allowed her to observe firsthand the changes that had transpired during the interim resulting in the only Indian village field study to span two generations Having won the trust and confidence of her subjects the author poignantly conveys their individuality along with their stories of heroism loyalty infidelity rape incest theft and even murder With even handedness and detailed scholarship Minturn makes use of methods such as systematic sampling and structured interviewing that are effective in capturing the richness of Indian village life though they are uncommon in anthropological studies The wide range of issues addressed here will be of interest to students and researchers in women's studies South Asian studies anthropology and cross cultural psychology as well as to interested laypersons

The Rape of Sita Lindsey Collen, 2004 Banned upon its first publication in Mauritius winner of the prestigious Commonwealth Prize for Best Novel in Africa this stylistically radical novel is both starkly modern in its conception and reminiscent of ancient myth in its captivating narrative and allegorical power Deftly blending oral and literary traditions Collen has crafted a short epic that evokes legacies of oppression and resistance of women of cultures and of nations Through the intersecting frames of Indian African and European cultures that make up the tiny African island nation of Mauritius emerges Sita a living legend in her country and activist in the national struggle for independence She is also a strong woman who has buried a secret that threatens to overwhelm her As Sita makes terrifying plunges into the black hole of her fragmented memory her painful and angry search to come to terms with

her past extends beyond her own violation Echoing ancient folk tales and religious prophecies Sita's modern day struggle to remember her own history and rape comes to symbolize all rapes all violations and all colonizations
