Six Machine Gayle:

Six Machine Chris Gayle, 2016-06-02 If the ball is there hit it Don't worry about what might happen Play for the glory Play for the six Chris Gayle is the only man to have ever hit a six off the first ball of a Test match But then producing the impossible is an everyday act for the West Indies legend the first man to smash an international T20 century the first to hit a World Cup 200 the fastest century in the history of the game He has hit twice as many T20 sixes as any other man and scored two Test triple centuries All this is delivered with cricket's biggest bat and an even bigger smile Off the pitch millions follow him on Instagram and Twitter to catch a glimpse of a globe trotting life spent in nightclubs as much as nets hot tubs as often as helmets and pads He plays late parties later demolishes a king size pile of pancakes and then strolls out to mangle another hapless bowling attack But do we really know him Do we know what took a shy skinny kid from a cramped tin roofed shack in the dusty back streets of Kingston sharing a bed with three brothers and stealing empty bottles to buy food to the very top of the cricket world without losing himself along the way Outrageous and utterly original this unputdownable memoir will leave you reeling Welcome to the world of the Six Machine
