years She's primed to become a worldwide phenomenon as the tenth and final book is set to debut after the annual romance readers convention takes place in Chicago next week. As buzz continues to build toward the book's release, Sofie is asked to headline the event for the first time, a career milestone. One she won't let anyone take from her, especially the next Sofie Wilde. That's what they're calling her Hartley West, the self-published debut author who writes in the style of Sofie Wilde. Except she doesn't actually write anything. After Hartley admits to using AI to create her novel, Sofie's ready to watch Hartley be skewered on social media. Except in this unpredictable world, Hartley is instead lauded for being innovative for being such a skilled editor to take what the AI churned out and massage it into a story that's just as compelling as Sofie's, maybe even more so. After her unhinged rant unintentionally goes viral, Sofie loses her keynote and she's starting to lose all her support. That loss is Hartley's gain as her book sales start soaring. She's given the headliner spot. Sofie is livid. And she's not the only one. As the convention begins, Sofie is surrounded by fellow authors who also fear for their futures, their livelihoods, their art being stripped away one AI prompt at a time. Something must be done. This has to be stopped. Now. With the clock ticking down to the keynote, Sofie enlists her fellow authors in a plan to stop Hartley, vowing The next Sofie Wilde over my dead body. Or hers. Lori Gold has crafted a raucous romp through the world of publishing, asking what it really means to be a writer in the time of AI. Perfect for fans of Finlay Donovan's *Killing It* and Emily Henry's **Dragon Rose**. Christine Pope, A sacrifice born of love leads to a destiny she never imagined. Rhianne Menyon would rather face the Dragon than marry the odious wool merchant her mother has chosen. When her secret talent for painting is discovered, threatening her family's livelihood, that flippant wish becomes a desperate reality. For five centuries the mysterious Dragon of Black's Keep has claimed a Bride from Lirinholme every few years, a sacrifice that keeps the town safe but seals the chosen woman's fate. When Rhianne's dearest friend is selected, Rhianne makes an unprecedented choice: she offers to take her place. At Black's Keep she expects to find a monster. Instead, she discovers Theran Blackmoor, a man shrouded in shadows whose voice is gentle and whose rare kindness awakens something she never expected to feel. But when Rhianne glimpses his true terrible form circling the castle at night, she understands why his touch burns and why the Brides before her chose death over their gilded prison. Then her dreams begin showing her a stranger's face, one that haunts her waking hours and drives her to paint with fevered obsession. As Rhianne uncovers the tragic truth behind the Dragon's curse, she must decide: will her gift for seeing beyond the surface be enough to break five centuries of torment, or will she become just another Beloved Bride whose headstone marks the graveyard of broken dreams? Author's Note: All Tales of the Latter Kingdoms novels are written as standalone romances and can be read in any order. KEYWORDS: Beauty and the Beast, Beauty the Beast, romantasy, romantic fantasy, fairy tale retelling, fairytale retelling, arranged marriage, **Poets & Writers**, 1999, **Microtimes**, 1995-11, *Cosmopolitan*, 1992, **The Love Manual**, 1994-01-01, *Close Liaisons*, Anna Zaires, 2013-02-03. test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
