Close Liaisons Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real u ngimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the

methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding

begged I ll do anything else but please stop whipping me I can t be a slave I can t do it I m not strong enough She was crying hard by now Just like when she was over the spanking horse he stared at her as she cried Eventually the tears and the sobs eased into the occasional hiccup and still he kept those deep blue eyes locked onto hers When at last he spoke it startled her Do you think Elias Palm would stop whipping you if you asked him nicely he questioned her softly She couldn t look at him any more and dropped her gaze No hic No Sir she replied after a minute How many times do you think he would whip you if he managed to capture you His voice was still soft She was pretty sure this was a trick question and she was going to walk right into his trap Uh um a lot more than three She still couldn t meet his gaze He would whip you until you were bleeding and unconscious Until there was no skin on your back and your breasts Until you begged to die which he might or might not let you do he said bluntly He folded his arms and continued staring at her not saying anything He was right And she knew what he was waiting for but she couldn t open her mouth and say the words I think you are stronger than Elias Palm would think you are They stayed there for probably more than five minutes him staring at her and waiting her staring at the floor with tears running down her face He was that rare person who can just wait for someone to speak no matter how long it takes Finally she managed to get her mouth to form the words Ma Master Yes Jenny he asked softly even gently Can you can we She didn t want to say the words but he wasn t going to let her get away with that Can we what Master will you finish whipping me she squeaked out before she lost her courage He smiled broadly He had such a beautiful smile She wanted to do things that would make him smile Of course Jenny But we need to start at the beginning You ll take five without protest and without breaking position If you can t we start over as many times as we need to until you ve taken five in a row that way Understand Yes Sir Tears of fear were starting up again But he hadn t said she couldn t cry He didn t cut her any slack The blows were just as painful as they were the first time In fact the second one still caught her by surprise with its intensity and she jerked and stumbled forward So they started over He went very slowly leaving time between each one for her to get her breathing under control and let her tear stained scrunched up face relax Those three minutes were the longest of her life But they were finally done By the end she had a total of eleven new welts across her ass and the backs of her thighs on top of the ones he had given her earlier She was not going to be sitting comfortably for a while Now he said let s try that again She looked at him in confusion she had forgotten what started this last round of punishment He eased his fingers back into her pussy way up inside as his thumb stroked her clit He pulled them out sopping wet looked at them and smiled Amazing he said He brought them up to her mouth again She hesitated just the briefest of moments and suddenly the cold eyes were back Do you want to try for seven She quickly opened her mouth and he inserted his fingers Lick them Lick them completely clean he ordered She closed her mouth around them and tasted the musky sweetness of her own juices Strange but not horrible She sucked them and licked them until not a drop was left and he pulled them out Good girl Now that wasn t so bad was it She reluctantly shook her head There s going to be a lot of this my dear Things you think you can t possibly do Times when you

are just ready to give up And we won't let you give up We will make you do the things you think you can't And to be honest sometimes the only way we'll get you to do what we demand is to punish you hard But many times you're going to find out that you are stronger than you thought you could be He smiled at her a real smile that lit up his eyes and gave her some courage Now my dear let's try something different Here's the new rules you can move your head jerk a bit even make any noises you need to make but you can't pull away and you must not talk She started trembling in fear Really trembling Shaking He saw her distress and came close to her face Taking her chin softly in his hand he shushed her Don't fear this Embrace it Trust me I'll get you through it he promised She looked him in the eyes and saw the truth and relaxed a little He moved around just behind her and put his arms around her stomach She found herself relaxing into his hold His left hand moved up to her nipple and began stroking and gently pinching She stiffened waiting for the inevitable No no no more pain I promise as long as you don't break the rules His left hand strayed slowly down her stomach and ended up between her legs A finger found her clit and started to stroke it gently back and forth She dropped her head back onto his shoulder and moaned He continued to gently twist and pull on her nipple and she was in heaven Despite all the pain she had just come through or because of it a part of her mind wondered she was aroused beyond belief and she felt a climax coming on rapidly Then his fingers stopped She let out a whimper and almost started begging He sensed it No no words remember I want to hear your moans and cries and whimpers but no begging no pleading You'll take what I give you and that will be enough She nodded His fingers slipped back into place above and below Again he stroked and pinched and twisted gently and again it was heavenly Again the need in her rose up quickly and again he pulled his hands away The urge to squirm was almost uncontrollable but she knew clearly by now that today's lesson was all about controlling her reactions Besides her whimpering cries expressed how she was feeling pretty plainly He brought his fingers up and touched her mouth and she opened it automatically and pulled them in The taste didn't bother her this time at all She felt him smile He put his hands in between her legs and covered his fingers with more juices and brought them up again to her mouth This time she was waiting with an open mouth and he pushed them in much further Again down to her pussy and up to her mouth Hold your mouth open don't close on my fingers yet She obeyed He inserted them deeply before laying them gently down on her tongue Close She started gagging and then caught herself and managed to breathe through it Once the gagging had gone she started sucking on them much more deeply than before She realized that as she was swallowing the juices he was letting his fingers be pulled back and down her throat until they became part of the swallow The feeling of being invaded was indescribable They stayed that way for a few minutes his fingers in her throat not moving Eventually he pulled them out That too drew a whimper from her and a smile from him Once more his hand went down and her desire rose up like a rocket Up and down up and down she went being played by a master conductor Tears of frustration had been falling for several minutes She knew by now that she was not going to be allowed to come At some point her legs started trembling uncontrollably He

pulled out one last time bade her clean his fingers and declared them done By now he was pretty much holding her up so it was no effort to let him ease her down to her knees He released her hands Put your hands out in front on the floor now lay your head down on them and rest for a few minutes She obeyed gladly letting fantasies run through her head of thrusting her fingers into her empty needy cunt and finishing the job the first moment she was alone She should have known better She heard him sit down on the sofa in front of her Jenny he said after a moment She looked up Sit up on your knees with your back straight She rose up sucking in her breath as her ass and thighs came in contact with her heels Now spread your knees as wide as you can As she spread them he put his foot between her legs and gently pushed her right knee further to the side Wider She felt her tendons start to strain before he was satisfied but what she noticed more was that having his perfectly polished shoe between her naked thighs was making her breathe quickly Place your hands on your thighs palms up That throws your shoulders back a little more and presents your breasts just a bit higher She did what he instructed and sat there quietly waiting for whatever was next He walked around her slowly She felt his gaze and automatically straightened her back a little further Nice he approved He sat down again in front of her I know how you feel right now how aroused you are how desperate you are for an orgasm But your orgasms no longer belong to you They belong solely to your Masters Once we get back you ll be wearing a chastity belt until we know we can trust you No matter how aroused you get you are not permitted to masturbate She wanted to cry keywords abduction alpha male discipline dystopian spanking romance dark romance alternate universe betrayal spies invasion war romantic suspense enemies to lovers capture fantasy domination submission pleasure pain Alpha male kidnapping
