Divine Provision Meets Generosity Planning Johnny McWilliams,2022-09-20 They were able to be a blessing to others because they were intentional with the resources they were tasked to manage Explore the why of giving a firm foundation on which you can build a plan to systematically give

Intentionally plan where to give so you don t miss out on the many opportunities Discover how to give a ton without spending much money Learn the basics of generosity budgeting and specific tactics for regular giving spontaneous giving and

outrageous giving Giving does not cost money all the time You can use your time and talents giving of yourself into people s lives Genuine giving is from the heart to bless the person reflecting the Giver of all good things What is significant is that

God can use your thoughtful giving to change a person s life God made us in His image and He is the biggest giver of all So it makes sense to look towards God s example first so we can study His pattern of generosity Then we can use His wealth the provisions He has allowed us to manage the way He has taught us by His Wisdom These are not only Christian financial concepts and principles these are financial truths It s time for you to RECOVER GROW and ZERO IN on the INTERSECTION

Where God s Wealth Meets God s Wisdom The INTERSECTION series includes the titles below Biblical Faith Meets Financial Strategy 2nd ed How to Lay a Solid Foundation for Prosperity God s Ownership Meets Money Management How to Be a Good and Faithful Steward Divine Provision Meets Generosity Planning How to Live Life to the Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a

single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God's Wealth vertical and God's Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else's mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life
