**Walking the Weight Off For Dummies** Erin Palinski-Wade, 2015-04-15 Get up get moving and walk away the pounds If you're looking to lose weight and get fit Walking the Weight Off For Dummies will show you just what to do to walk yourself to a whole new you Whether you want to burn fat boost your energy level improve your mood shed your belly or just get toned this easy to read fun and friendly guide will have you putting your best foot forward over and over again Inside you'll discover which workouts are the best to achieve your specific goals how low impact walking is perfect for fat burning how to pick the right pair of shoes for walking and so much more Walking is the number one form of exercise in America and studies show that it is highly effective in achieving multiple health goals from losing weight and decreasing body fat to improving overall health and mental well being Best of all walking is very inexpensive and can be done anywhere With this complete and easy to use guide you'll find that creating and sticking to a walking program to lose weight and feel great has never been easier Learn how walking is the ideal exercise to achieve and maintain healthy body weight and improve overall health Figure out the best techniques to avoid injury and achieve your specific fitness goals Dive into nutrition tips for fueling up before and after walks to maintain health Discover how you can fit walking into your life regardless of your age gender and current weight If you've always wanted to incorporate walking into your routine to boost your health and effectively lose weight Walking the Weight Off For Dummies will show you how

**Walking Magazine's the Complete Guide to Walking for Health, Weight Loss, and Fitness** Mark Fenton, 2001 A guide to walking presents a diet and exercise plan to improve overall health lose weight build endurance and speed and become fit

**Y's Way to Fitness Walking** June Irene Decker, Georgia Orcutt, Patricia Sammann, 1989 The Good Housekeeping Illustrated Guide to Women's Health Kathryn Cox, 1995 More than ever women are taking charge of their own health No longer content to let the doctor decide they are demanding a say in picking the therapy or procedure that's best for them Indeed American women are envied around the world because they have so much control over their bodies With this newfound control comes the responsibility to be a truly informed partner in making important medical decisions This means keeping abreast of new scientific developments and knowing what questions to ask or where to find the answers no easy task given the sometimes overwhelming and often conflicting flood of medical information available through the media and other sources With this in mind the editors of Good Housekeeping have created the Illustrated Guide to Women's Health a timely and thorough text compiled by a team of medical experts These highly respected specialists represent the spectrum of women's health concerns from internal medicine endocrinology rheumatology breast surgery and plastic and reconstructive surgery to psychiatry occupational medicine nutrition and exercise physiology Unlike general health books that concentrate heavily on male health issues this book focuses solely on a woman's body her medical needs and the social issues she faces from adolescence to old age Like other books on women's health it provides sound information and advice about pregnancy childbirth menstruation

menopause and other facets of gynecologic health But unlike most other books for women it also addresses such topics as heart disease occupational health hazards stress management and physical fitness facets of health that are just as critical to women as to men There s also a full color atlas of the female body and its various systems as well as an illustrated encyclopedia covering scores of disorders diagnostic procedures and treatments Throughout the text is written in clear understandable language supported by illustrations that make even the most complex material easily understandable Above all its tone is straightforward non political and objective Regardless of which roles you fill as a woman wife mother daughter caregiver employee we think you ll agree that *The Good Housekeeping Illustrated Guide to Women s Health* is the one indispensable book designed to make you an informed partner in your own health care

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
