educators provide the basis for the second part with insights on the efficacy benefits and pitfalls of teaching using Hamilton. Although other scholarly works have debated the historical accuracy of Hamilton, The Hamilton Phenomenon benefits from more distance from the release of the musical as well as the dissemination of the hit through traveling productions and the summer 2020 release on Disney. Through critically engaging with Hamilton, these authors unfold new insights on early American history pedagogy, costume, race in theatrical performances and the role of theatre in crafting interest in history.
