

The image features three violinists in silhouette, performing against a solid red background. The central violinist is a man, looking intently at his instrument. To his left and right are two women, also focused on their playing. The Apple logo, a white silhouette of an apple with a bite taken out, is positioned to the left of the text. The text 'Music Classical' is in a large, white, sans-serif font, centered horizontally and partially overlapping the musicians.

Managerial Economics & Organizational Architecture James A. Brickley,Clifford Smith,Jerold L. Zimmerman,2007 With two distinct objectives this text s approach to managerial economics takes models from recent economics research and applies the research to the internal structure of a firm After teaching basic applied economics the authors look inside the firm and apply this analysis to management decision making Authors Brickley Smith and Zimmerman contend that organizational architecture consists of three aspects of corporate organization the assignment of decision rights within the company methods of rewarding individuals the structure of systems to evaluate the performance of both individuals and business units These three components can be likened to a stool with three legs If one of the legs is shorter the stool is out of balance These three elements must be in balance in the organization as well **Time** ,2003 **U.S. News & World**
