

# The SAT

## Information & Tips

*While many four-year colleges require ACT or SAT scores as part of the application process, some now have test-optional policies. Unless you are certain you will not need to submit test scores, plan to take the ACT and/or SAT.*

---

### About the test

The SAT is fully digital and consists of two main sections: Reading and Writing, and Math. The SAT is given in August, October, November, December, March, May, and June.

---

### When to take the SAT

You should take the SAT in the spring of your junior year. If you want to improve your scores, you'll have time to retake it the following summer or fall, if necessary.

---

### How to register

To register for the SAT, go to [collegeboard.org](https://collegeboard.org). Registration deadlines are about three weeks before each test date. Once you're registered, you'll receive instructions and an admission ticket.

---

### How the SAT is scored

Students receive a total score (400–1600) and two section scores: one for Reading and Writing (200–800) and one for Math (200–800).
