Running Lean Ash Maurya, 2012-02-24 We live in an age of unparalleled opportunity for innovation. We're building more products than ever before but most of them fail not because we can't complete what we set out to build but because we waste time money and effort building the wrong product. What we need is a systematic process for quickly vetting product ideas and raising our odds of success. That's the promise of *Running Lean*. In this inspiring book Ash Maurya takes you through an exacting strategy for achieving a product market fit for your fledgling venture based on his own experience in building a wide array of products from high tech to no tech. Throughout he builds on the ideas and concepts of several innovative methodologies including the Lean Startup Customer Development and bootstrapping. *Running Lean* is an ideal tool for business managers CEOs small business owners developers and programmers and anyone who's interested in starting a business project. Find a problem worth solving then define a solution. Engage your customers throughout the development cycle. Continually test your product with smaller faster iterations. Build a feature measure customer response and verify. Refute the idea. Know when to pivot by changing your plan's course. Maximize your efforts for speed learning and focus. Learn the ideal time to raise your big round of funding. Get on track with *The Lean Series*. Presented by Eric Ries, bestselling author of *The Lean Startup*. How Today's Entrepreneurs Use Continuous Innovation to Create Radically Successful Businesses. *The Lean Series* gives you solid footing in a proven methodology that will help your business succeed. **CQ Weekly**, 1998
