**Because You Are with Me** A. D. Westbrook, 2020-06-25 This short devotional book considers Psalm 23 from a fresh perspective finding middle ground for those who want more depth of understanding from the biblical text along with straightforward applicability to the real life journey of the believer It encourages believers to walk in security and hope knowing that our actual identity value and success are found within our central experience of the LORD's presence amid everyday circumstances whatever they may be These themes are universally relevant and are especially helpful for those facing challenging times as well as for those who give pastoral care From the first chapter this book unpacks the poetic details of Psalm 23 repeatedly reminding us that life is good not because it is easy life is good because He is with me

Lamentations Through the Centuries Paul M. Joyce, Diana Lipton, 2020-06-22 I thoroughly enjoyed this book. It is informative, thought provoking, and despite being a commentary, holds the reader's attention. It made me appreciate Lamentations in a new way. To be recommended. *The Swedish Exegetical Yearbook* 2014 1 October 2014. One of the shortest books in the Bible, Lamentations exercises a disproportionately powerful cultural influence. As an unflinching account of the devastation wreaked by war, it has been called upon again and again by Jews, Christians, and others in their responses to catastrophes as varied as the destruction of the Jerusalem temple, the Great Fire of London, the Holocaust, and 9/11. Covering two and a half millennia of liturgy and literature, theology and psychology, art, music, and film, this volume explores the astonishing variety of cultural and religious responses to Lamentations, taking in the New Testament and the Dead Sea Scrolls, Yehudah Halevy, John Calvin, and Thomas Tallis, as well as the startling interpretations of Marc Chagall, Cynthia Ozick, Alice Miller, and Zimbabwean junk sculpture. Viewed through this kaleidoscope of sources, the ancient biblical text acquires a vital and resonant new life. *Lamentations Through the Centuries* is published within the Wiley Blackwell Bible Commentaries series. Exploring the mystery, wisdom, and power of the dark phase of the moon's cycle, a lunar-based model for moving through the dark times in our lives with understanding, consciousness, and faith in renewal. The moon's dark phase has traditionally been a time of fear and superstition, a time associated with death and isolation. The mythical embodiment of these fears is the Dark Goddess, known around the world by many names: Lilith, Kali, Hecate, and Morgana. The archetypal Dark Goddess represents death, sexuality, and the unconscious, the little understood, often feared aspects of life. Demetra George combines psychological, mythical, and spiritual perspectives on the shadowy feminine symbolism of the dark moon to reclaim the darkness from oppressive, fear-based images. George offers rites for rebirth and transformation that teach us to tap into the power of our dark times, maximizing the potential for renewal inherent in our inevitable periods of loss, depression, and anger.
