The Devil And How to Resist Him Gerald Vann, Paul Kevin Meagher, 1997 A chilling portrayal of the Devil and how you can fight against his various forms of evil The Devil is real and this book explores the one time he revealed himself enough to let you see his usual plan of attack giving you sure ways to counter his temptations ways that will afford you greater protection against evil in all its forms *The Lost Books of the Bible and The Forgotten Books of Eden* Rutherford Hayes

Platt, 1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style This Pamphlet

shews that Man is not an accountable being in the way represented by priestcraft, and that the doctrine of Original Sin has no foundation whatever in Scripture John WARD (spiritually called Zion.), 1870 **The Fundamental Doctrines of the**

**Christian Faith** Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form **A Dictionary of Christian Biography,**

**History of Chicago: Ending with the year 1857** Alfred Theodore Andreas, 1884 *The Catechism Explained* Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for

what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface      **A year's teaching for infant Sunday schools** mrs.
