Lee, 2009-12-09 Known as Asia s evangelical superpower South Korea today has some of the largest and most dynamic churches in the world and is second only to the United States in the number of missionaries it dispatches abroad Understanding its evangelicalism is crucial to grasping the course of its modernization the rise of nationalism and anticommunism and the relationship between Christians and other religionists within the country Born Again is the first book in a Western language to consider the introduction development and character of evangelicalism in Korea from its humble beginnings at the end of the nineteenth century to claiming one out of every five South Koreans as an adherent at the end of the twentieth In this thoughtful and thorough study Timothy S Lee argues that the phenomenal rise of this particular species of Christianity can be attributed to several factors As a religion of salvation evangelicalism appealed powerfully to multitudes of Koreans arriving at a time when the country was engulfed in unprecedented crises that discredited established social structures and traditional attitudes Evangelicalism attracted and empowered Koreans by offering them a more compelling worldview and a more meaningful basis for association Another factor is evangelicalisms positive connection to Korean nationalism and South Korean anticommunism It shared in the aspirations and hardships of Koreans during the Japanese occupation and was legitimated again during and after the Korean conflict as South Koreans experienced the trauma of the war Equally important was evangelicals relentless proselytization efforts throughout the twentieth century Lee explores the beliefs and practices that have become the hallmarks of Korean evangelicalism kibok this worldly blessing saebyok kido daybreak prayer and kumsik kido fasting prayer He concludes that Korean evangelicalism is distinguishable from other forms of evangelicalism by its intensely practical and devotional bent He reveals how after a long period of impressive expansion including the mammoth campaigns of the 1970s and 1980s that drew millions to its revivals the 1990s was a decade of

ambiguity for the faith On the one hand it had become South Korea s most influential religion affecting politics the economy and civil society On the other it found itself beleaguered by a stalemate in growth the shortcomings of its leaders and conflicts with other religions Evangelicalism had not only risen in South Korean society it had also for better or worse become part of the establishment Despite this significance Korean evangelicalism has not received adequate treatment from scholars outside Korea Born Again will therefore find an eager audience among English speaking historians of modern Korea scholars of comparative religion and world Christianity and practitioners of the faith DAILY DEVOTIONAL Thomas Marshall,2015-11-24 Humans must breathe in the air of our atmosphere to survive Many cities because of pollution face a dangerous level of contamination in their air However an even more deadly air affects both Christians and nonChristians Ordinary methods or devices cannot detect this poisonous air The apostle Paul in his letter to the Ephesians spoke of the air when he said that Satan was the ruler of the authority of the air Eph 2 2 In that very same verse Paul said the air is the spirit now working in the sons of disobedience If we breathe in this air we will begin to adopt their attitude thoughts speech and conduct We know that we are from God but the whole world lies in the power of the evil one 1 John 5 19 Satan controls the spirit i e worldview of every human alienated from God by infecting their beliefs about life This is why Paul in the same letter exhorted us to be renewed in the spirit of our mind Eph 4 23 Therefore Christians are to avoid taking in Satanic air being influenced by its values beliefs thinking speech and conduct we must be renewing our mind day by day discerning what is the will of God Rom 12 2 Paul counseled Set your mind on the things above not on the things that are on earth Col 3 2 It is for this reason Marshall has penned the DAILY DEVOTIONAL Daily Musings From the Old Testament which can help us be protected against Satan s efforts at controlling our mind and heart For each day of the year DAILY DEVOTIONAL provides a Daily Bible Reading and comments for consideration *Christian Standard* ,1908 **Auto-suggestion in Private Prayer** Karl Ruf Stolz,1913 *Draw Near* Angela Rosko,2025-10-04 Draw Near is a 30 day devotional designed to deepen your prayer life and draw your heart closer to God Each day includes a carefully chosen scripture a soul stirring devotional reflection a prayer prompt or journaling question and a closing affirmation to carry with you Whether you re seeking stillness peace clarity or connection this devotional invites you into a sacred space where God s presence meets you right where you are Each entry focuses on a different aspect of prayer like trust transformation boldness and delight guiding you to reflect realign and rekindle your spiritual journey With a tone that s warm woman centered and deeply encouraging Draw Near makes space for rest renewal and revival in your daily life Come just as you are and let this be your invitation to draw near to the One who s always been near to you **Texas School Journal** ,1892 The Living Church ,1906 **In the Shadow of His Wings** Alice Pongracz,2018-03-26 In the Shadow of His Wings is an in depth thirty day devotional that paints a picture of who God is as our shelter and refuge in the midst of lifes storms Author Alice Pongracz shares her biblical insights and some personal stories in a unique way that will draw you into a closer relationship with God You will discover love hope and joy
