Pumpkin Spice & Prophecies Kaye Kennedy,2025-10-03 When a Halloween prophecy predicts romance two sparring co hosts must uncover whether love is a trick or a treat As co host of The Unexplained Files I spend most of my time arguing with Harrison my infuriatingly skeptical partner in podcasting crime who never fails to remind me that I m chaos wrapped in pumpkin spice Our job Dive into spooky legends and paranormal lore then let the audience decide what to believe This Halloween we re headed to a small New England town famous for its pumpkin festival and enough haunted ghost stories to make Harrison roll his eyes straight out of his head What I didn t expect was the town psychic prophesying that one kiss before All Hallows Eve would change everything for me The internet

went wild our producer smelled ratings and suddenly I was encouraged to play up a romance with the local pumpkin patch s golden boy but the whole thing feels like a Halloween rom com gone wrong Meanwhile Harrison seems more rattled than usual probably because we re stuck sharing the haunted inn s honeymoon suite It s all a little too much for my ADHD brain to handle chronic overthinker here The more I try to figure out this prophecy the more my heart insists it s about the one man who drives me absolutely mad on and off the mic Could this Halloween prophecy really be pointing Shaunie toward the skeptic she swore she d never fall for
