Media Imperialism Oliver Boyd-Barrett,Tanner Mirrlees,2019-08-19 Media Imperialism Continuity and Change advances applied theoretical research on 21st century media imperialism The volume includes established and emerging researchers in international communications who examine the geopolitical economic technological and cultural dimensions of 21st century media imperialism The volume highlights and challenges how news entertainment and social media uphold unequal power relations in the world Written in an accessible style this volume marries conceptual theoretical sophistication and concrete illustration with rich case studies and global examples Chapters cover the complete media spectrum from social media to Hollywood to news and national propaganda in national and transnational analyses Readers will find discussions that range from soft power and China to the USA s empire of the internet to the rise of Chindia in a post American media world The volume is essential reading for upper level undergraduate postgraduate and research communities across a wide range disciplines in the social science and the humanities

Copyright's Excess Glynn Lunney,2018-04-12 For more than two hundred years copyright in the United States has rested on a simple premise more copyright will lead to more money for copyright owners and more money will lead to more original works of authorship In this important illuminating book Glynn Lunney tests that premise by tracking the rise and fall of the sound recording copyright from 1961 2015 along with the associated rise and fall in sales of recorded music Far from supporting copyright s fundamental premise the empirical evidence finds the exact opposite relationship more revenue led to fewer and lower quality hit songs Lunney s breakthrough research shows that what copyright does is vastly increase the earnings of our most popular artists and songs which net result means fewer hit songs This book should be read by anyone interested in how copyright operates in the real world

Parenting Different Sarah Hayden,2025-03-04 Everything you ve ever wanted to know about parenting and celebrating your neurodivergent child from parenting expert social worker and mother of five Sarah Hayden This is the book I wish I d had when my daughter Chlo was diagnosed autistic The book I wish I d had when I was parenting any of my children as they faced challenges or didn t fit the norm I ve written it for every parent who wants to encourage and affirm their children for who they are not who they re meant to be Sarah Hayden Parenting can be hard Parenting a neurodivergent child in a neurotypical world can be even harder But know you are not alone all the reassurance guidance and support you need is right here Sarah Hayden social worker mother and neurodivergent human herself helps you unlearn everything you thought you needed to know about parenting neurodivergent kids Covering diagnosis family life siblings schooling puberty therapy food peer relationships and so much more Sarah provides new ideas and practical tools on how to support your child to be their best and most authentic self Equipped with both professional expertise and hard earned learnings from her own parenting journey she also shares the story of her daughter Chlo Hayden s autism and ADHD diagnoses and how that transformed her expectations and parenting There are insights from Chlo herself Q As addressing the questions Sarah is

most commonly asked by parents and Sarah's own story of adult diagnosis. With warmth, humour and just a little bit of sparkle Parenting Different shows you how to help your neurodivergent child not just survive but thrive in a neurotypical world

Media and Crime. Women's Fascination with True Crime, 2024-10-30 Seminar paper from the year 2022 in the subject Sociology Law and Delinquency grade 1.0 E tv's London University Faculty of Law course Criminology Crime and Criminal Justice language English abstract Aren't females themselves the archetypical victim in true crime stories? So why would they enjoy listening, watching or reading about the horrible things rapists and serial killers do to their targets? With this paper I seek to shed light into that paradox. I want to explain why true crime media is specifically popular amongst women. So firstly I will give a quick introduction into the rising popularity of true crime media. Secondly I will explore as well as explain the gender gap in true crime consumption with the aid of various social psychological, sociological and criminological research and present a profile of the typical female true crime fan. I will finish off with a summary

How to Get on Podcasts: Cultivate Your Following, Strengthen Your Message, and Grow as a Thought Leader through Podcast Guesting Michelle Glogovac, 2024-02-27 How to leverage podcast guesting to elevate yourself as a thought leader, generate more revenue, and promote your business all for little to no cost. The explosion of social media, AI enabled online advertising, and the overall cacophony of the internet has made it harder than ever to connect a message with an audience. One of the most powerful emerging tools for cutting through that noise is being a guest on podcasts or podcast

guesting Michelle Glogovac aka The Podcast Matchmaker™ knows the impact podcast guesting has on business and brand growth. She helps entrepreneurs, nonprofit leaders, activists, experts, and authors promote themselves and their businesses' organizations' stories and expertise via podcast interviews. In "How to Get on Podcasts," she teaches you how to Create unique speaking topics without being generic. Define your ideal audience. Design branded media kits. Establish your expertise and knowledge. Share yourself freely without resorting to sales tactics. Tell compelling stories. Repurpose your interviews into evergreen marketing content. Turn every interview into a valuable business opportunity. There are more than two million podcasts, out of which 500,000 host expert guests, a huge opportunity for leveraging a free and robust marketing tool if you have the know-how. With "How to Get on Podcasts," you have everything you need to increase business, boost your career and brand, and elevate your thought leadership potential.

Ask Your Developer Jeff Lawson, 2021-01-12

Jeff Lawson, developer turned CEO of Twilio, one of Bloomberg Businessweek's Top 50 Companies to Watch in 2021, creates a new playbook for unleashing the full potential of software developers in any organization, showing how to help management utilize this coveted and valuable workforce to enable growth, solve a wide range of business problems, and drive digital transformation. From banking and retail to insurance and finance, every industry is turning digital, and every company needs the best software to win the hearts and minds of customers. The landscape has shifted from the classic build vs. buy question to one of build vs. die. Companies have to get this right to survive. But how do they make this transition? Software developers are sought after, highly paid, and desperately needed to compete in the modern digital economy. Yet most companies treat them like digital factory workers without really understanding how to unleash their full potential. Lawson argues that developers are the creative workforce who can solve major business problems and create hit products for customers, not just grind through rote tasks. From Google and Amazon to one-person online software companies, companies that bring software developers in as partners are winning. Lawson shows how leaders who build industry-changing software products consistently do three things well: First, they understand why software developers matter more than ever. Second, they understand developers and know how to motivate them. And third, they invest in their developers' success. As a software developer and public company CEO, Lawson uses his unique position to bridge the language and tools executives use with the unique culture of high-performing creative software developers. "Ask Your Developer" is a toolkit to help business leaders, product managers, technical leaders, software developers, and executives achieve their common goal: building great digital products and experiences. How to compete in the digital economy. In short, "Ask Your Developer."
