**The Last Deployment** Bronson Lemer, 2011-06-08 In 2003 after serving five and a half years as a carpenter in a North Dakota National Guard engineer unit Bronson Lemer was ready to leave the military behind But six months short of completing his commitment to the army Lemer was deployed on a yearlong tour of duty to Iraq Leaving college life behind in the Midwest he yearns for a lost love and quietly dreams of a future as an openly gay man outside the military He discovers that his father's lifelong example of silent strength has taught him much about being a man and these lessons help him survive in a war zone and to conceal his sexuality as he is required to do by the U.S. military The Last Deployment is a moving provocative chronicle of one soldier's struggle to reconcile military brotherhood with self acceptance Lemer captures the absurd nuances of a soldier's daily life growing a mustache to disguise his fear wearing pantyhose to battle sand fleas and exchanging barbs with Iraqis while driving through Baghdad But most strikingly he describes the poignant reality faced by gay servicemen and servicewomen who must mask their identities while serving a country that disowns them Often funny sometimes anguished The Last Deployment paints a deeply personal portrait of war in the twenty first century InSight Out Book Club selection Bronson Lemer named one of Instinct magazine's Leading Men 2011 QPB Book Club selection Finalist Minnesota Book Awards Finalist Over the Rainbow Selection American Library Association Amazon Top Ten 10 Gay Lesbian Books of 2011
