The Devil In Her Soul:

Who Owns Your Soul? Doreen C. Mampani, 2012-09 Our Lord Jesus Christ asked this questions which is so relevant today when people do not hesitate to sell their souls to Satan for wealth fame power beauty and control over others witchcraft Matthew 16 26 For what is a man profited if he shall gain the whole world and lose his own soul or what shall a man give in exchange for his soul Our Lord Jesus Christ asked me this question and I cried for few days This time 2011 my husband and I lost almost everything from a comfortable life to a life of debts poverty shame suicidal thoughts mockery no food name calling some confessing Christians called me a demon Satan witch and all offending names you can imagine Choosing to follow Lord Jesus Christ is choosing life I chose Lord Jesus Christ not for wealth fame power possession or material but because I need Him my soul just cannot do without its Master The book you are about to read is based on my life story of how Satan is deceiving people The idea of writing this book was after discussing my background and experience with various people from different backgrounds race colour and gender both from South Africa and Africa I believe in Jesus Christ with all my heart body and soul This is a battle plan to destroy and dispossess death poverty and destruction in Africa and the world You may ask why Satan is so much after souls human beings That is because that has been his aim since his fall Who does your soul belong to All souls humans belong to God of Heaven With my background when I pray I say God of Heaven Jesus Christ I have to be specific due to the kind of challenges I experience when I pray When I prayed and said God Satan would challenge and asked which one do you refer to In this book I will discuss witchcraft I experienced Witchcraft has been there since Old Testament time We read scriptures such Nahum 3 4 Because of the multitude of the whoredoms of the well favoured harlot the mistress of witchcrafts that selleth nations through her whoredoms and families through her witchcrafts In the New Testament for example we read in Acts 8 9 But there was a certain man called Simon which beforetime in the same city used sorcery and bewitched the people of Samaria giving out that himself was some great one I will give as much details as possible to help the reader to identify arrears that the enemy is controlling your own life so that you can pray or have a Pastor to pray for you for God Almighty to destroy the strongholds of Satan We are living in times when people are daring to oppose God Almighty publicly without fear Does God not hear or see Oh He does Why do we challenge such a loving caring God of Heaven who created us in His own image with so much unconditional love It s because of rebellion towards our Maker one of Satan s goals against the Almighty God Satan hated human beings since the creating of Adam and Eve His aim since then has been to turn human beings against our Creator He tries to make God appear unfair he said in Gen 3 4 5 then the serpent said to the woman you will not surely die for God knows that in the day you eat of it your eyes will be opened and you will be like God knowing good and evil Satan made it appear as if God was depriving Adam and Eve from being like God from knowing good and evil Today Satan still uses his tricks to deceive people to want to be like God Promising that he can give power control wealth fame beauty access to everything that the individual desire He does not tell

the person though that he Satan takes the soul in exchange of these things I don't want to be associated with Satan neither any of his demons principalities and powers I love Lord Jesus Christ with my entire being I will mention some of the numbers used by Satan especially number 11 Remember is God of Heaven who created days weeks months and years and numbers not Satan Sata

Prosper Your Soul, Beloved Vicki Heymann, 2020-12-03 Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book's title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out

Unlocking the Consciousness of Your Soul Terry L Newbegin, 2012-10-08 The book is about my experiences in life and how those experiences introduced me to the wisdom of my very soul It is a story about where I truly began as a child of God who I thought I was because of where I was born and how I became enlightened to the most profound kept secrets that were ever devised in the history of mankind It is a story that unravels the mystery behind your suffering Without realizing it your soul has been hiding from you for many lifetimes and by choosing to open up your heart and put aside your dogmatic beliefs for a while your soul will reveal to you all the whys of you choosing the route of sin physicality earth brainwashing forgetfulness and suffering as the means to remember who you are If you are looking for clarity in life and how to overcome distress grief anger and the pain you are feeling right now then it becomes very important to understand who you truly are where you truly come from how miracles are created and why you do the things you do It is a story that touches on the human struggles of life and how to overcome them just by learning to connect to the wisdom of your soul The story takes you all the way back to the first creation known as the Garden of Eden and how it relates to your evolution through time and space When you live and make decisions from the mind of reason from others long established interpretations of Gods written words and from what the experts assert what is best for you your soul cannot bring forth the wisdom that you hold deep within your consciousness Thus you become more and more susceptible to turbulent experiences

Unlocking Your Soul's Consciousness Terry L Newbegin,2019-04-29 You have been programmed for centuries to come from a rational persuasive and susceptible mind when it comes to understanding God yourself where you come from why you are here on earth and who created you You do not realize that you were personally part of the story of creation written by the prophets in Genesis It is just that you have forgotten because of your many lifetimes on Earth So allow yourself to open up to what you have been taught about God Unlocking Your Soul s Consciousness is a groundbreaking book that takes you all the way back to the first creation known as the Garden of Eden and how it relates to your own evolution as a god in your own right When you live and make choices from the mind of reason from others long established interpretations of God s written words and from what the experts assert what is best for you your soul cannot bring forth the wisdom that you hold deep within your consciousness Thus you become more and more susceptible to turbulent experiences If you are looking for clarity in life and how to overcome your suffering pain and anger then it becomes very important to understand who you truly are where you truly come from how miracles are created and why you do the things you do Without realizing it your soul has been hiding from you for many lifetimes and by choosing to open your heart and mind putting aside your dogmatic beliefs for a while your soul will reveal all the whys of you choosing sin physicality earth forgetfulness and suffering as the means to remember who you are Know that being aware of who you truly are is more important than all the treasures education and power in the world

The Diva's Guide to Selling Your Soul Kathleen O'Reilly,2005-04-05 Don t hate me because I m beautiful Call me V I used to be a nobody just a girl from New Jersey who was probably going to hell anyway or worse mediocrity and a size 14 Now I get whatever I desire just by casting a little spell a flawless body a luxury penthouse and a Fifth Avenue shop where rich women clamor for my overpriced handbags Even better I have power I can taunt my ex husband break hearts without guilt and love every minute of it My secret I lost the one thing I never needed in the first place my soul I sold it And you ll never guess who s got it now She s a devil in disguise You know her as the dishiest gossip columnist in the city s trashiest tabloid I call her Lucy And our deal is this the more clients I recruit for her Life Enrichment Program the greater my rewards But just between us my fast track to heartless apathy has hit a few speed bumps lately I ve had the totally annoying impulse to do things that are good First there was

rescuing a kid in the park Then there was the date with the handsome decent guy who wasn't even a celebrity What's next giving to charity or something All I know is Lucy doesn't like it not one little bit And when she finds out there will be hell to pay The autobiography and letters of ... Thomas Godwin [ed. by A. Godwin]. Thomas Godwin,1878 **The Opera Goers' Complete Guide** Leo Leop Melitz,1913 **The Drama** ,1927 Drama ,1927 **Right in Her Soul** Tracy B. Strong,Helene Keyssar,1983 Provides an intimate portrait of the twentieth century American Reds journalist who became involved in the Chinese and Russian Revolutions and with such key personages as Trotsky and Mao **The treasury of David: containing an original exposition of the Book of psalms** Charles Haddon Spurgeon,1870 **Object Relations Theory and Religion** Mark G. Finn,1992-12-10 Until now little attention has been paid to the application of contemporary psychoanalytic theory to religious experiences In this edited collection the contributors provide examples that illustrate both theoretical insights and clinical techniques that are relevant to clinicians who face religious issues in psychotherapy This work follows in the footsteps of Ana Maria Rizzuto who took the bold step of employing object relations theory to the clinical study of an individual's religious representations and argued that religious representations profoundly reveal a person's relational world Dr Rizzuto provides a detailed afterword for this volume While several of the authors maintain religious commitments which vary from Christian to Jewish to Buddhist a critique of the recruitment of object relations theory in the service of religious apologetics is also included The importance of a religious aspect to psychoanalysis becomes evident when we consider whether an effective therapy with the religiously committed patient is possible without the clinician's willingness to accept that God and other religious experiences are real phenomena exerting a unique impact upon the personality Or when we ask if by thinking too concretely and too statically about images of God the clinician who is also a believer errs by focusing on the theological adequacy or inadequacy of a given representation This book will interest mainstream clinicians who are eager to pursue the psychology of religion as well as the traditional pastoral counseling community **The Christian's secret of a happy life.
