G.A. Aiken Dragon Bundle: The Dragon Who Loved

Me, What a Dragon Should Know, Last Dragon Standing & How to Drive a Dragon Crazy G.A. Aiken, 2012-10-01

Only for those I love would I traipse into the merciless Northlands to risk life limb and my exquisite beauty But do they appreciate it Do they say Gwenvael the Handsome you are the best among us the most loved of all dragons No For centuries my family has refused to acknowledge my magnificence as well as my innate humility Yet for them and because I am so chivalrous I will brave the worst this land has to offer So here I stand waiting to broker an alliance with the one the Northlanders call The Beast A being so fearful the greatest warriors will only whisper its name Yet I Gwenvael will courageously face down this terrifying woman It turns out the Beast a k a Dagmar Reinholdt is a woman one with steel gray eyes and a shocking disregard for my good looks Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed Who better than a dragon to thaw out that icy demeanor And who better than a beast to finally tame a mighty dragon s heart Sexy and outrageous humor Romantic Times I know what they see when they look at me The charming soft spoken dragoness bred from the most powerful of royal bloodlines A disguise stronger than any battle shield that allows me to keep all suitors at tail s length A technique that s worked until him Until Ragnar the Cunning handsome barbarian warlord and warrior mage from the desolate Northlands Unlike those who ve come before him he does not simply submit to my astounding charm and devastating smile Instead he dismisses me as vapid useless and to my great annoyance rather stupid Yet I ll allow no male to dismiss me Soon he ll learn my worth my many skills and the strength of my will For this one challenges me enough to make me want to ruthlessly taunt him tease him and finally when the trap is set bring him to his knees I was raised for battle And as the first daughter of a warrior family I ve earned my reputation the hard way Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave But it s the foolish and foolhardy who would try to stop me Rhona the Fearless from doing what I do best destroying the enemies of my kind So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory I don t care if he s fascinated by me even though he is as attractive as he is resourceful He s having far too much fun putting me in difficult situations and testing my sense of duty to the limit And I m going to enjoy challenging his insufferable confidence outwitting his schemes and making him surrender in the wildest ways Sexy and outrageous humor Romantic Times Some things never go away like vile enemies bad ale and annoying kin But I thought I was finished with the one dragon I d have done anything for ibhear the Blue a big gorgeous blue haired beast who thinks the world belongs to him The world and apparently me So if ibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn t need it namely me I ll let him Because while I m trying to fulfill a ridiculous quest for a pushy god I m going to draw this overconfident warlord much too close rekindle his fires and enjoy every minute
