*The Duties of Parents: (annotated)* J. C. John Ryle, 2019-01-21 John Charles Ryle 10 May 1816 10 June 1900 was an English Evangelical Anglican bishop He was the first Anglican bishop of Liverpool Ryle was a strong supporter of the evangelical school and a critic of Ritualism He was a writer pastor and an evangelical preacher Among his longer works are Christian Leaders of the Eighteenth Century 1869 Expository Thoughts on the Gospels 7 vols 1856 69 Principles for Churchmen 1884 Ryle was described as having a commanding presence and vigorous in advocating his principles albeit with a warm disposition He was also credited with having success in evangelizing the blue collar community The Duties of Parents shows how to make your child good humanbeing [The Duties of Parents \(1884\)](#) J.C. Ryle, 2011-10-15 One of the most challenging and rewarding positions a person may find themselves in is that of a parent Unfortunately few prepare for this great responsibility even though it is part of the majority of one's life J C Ryle comes to the rescue once again with sound Biblical advice to aid in this daunting task Originally published in the 19th century this short book contains 17 nuggets of wisdom for training children You could easily read the entire book in a single evening Or for those who are pressed for time keep it handy and read a chapter anytime you have a spare minute The principles which are outlined in this book are not quick fixes Parenting is hard work but if you put into practice the things which are mentioned your children will be prepared for a lifetime Remember you are parenting for eternity DutiesOfParents.com JCRyleOnline.com GreatChristianResources.com

**The Duties of Parents by J. C. Ryle: Annotated** J. C. Ryle, 2021-08-16 This remember is the first step in religion which a child is able to take Long before he can read you can teach him to kneel by his mother's side and repeat the simple words of prayer and praise which she puts in his mouth And as the first steps in any undertaking are always the most important so is the manner in which your children's prayers are prayed a point which deserves your closest attention Few seem to know how much depends on this You must beware lest they get into a way of saying them in a hasty careless and irreverent manner You must beware of giving up the oversight of this matter to servants and nurses or of trusting too much to your children doing it when left to themselves I cannot praise that mother who never looks after this most important part of her child's daily life herself Surely if there be any habit which your own hand and eye should help in forming it is the habit of prayer Believe me if you never hear your children pray yourself you are much to blame You are little wiser than the bird described in Job which leaves her eggs in the earth and warms them in the dust and forgets that the foot may crush them or that the wild beast may break them She is hardened against her young ones as though they were not hers her labor is in vain without fear Prayer is of all habits the one which we recollect the longest Many a grey headed man could tell you how his mother used to make him pray in the days of his childhood Other things have passed away from his mind perhaps The church where he was taken to worship the minister whom he heard preach the companions who used to play with him all these it may be have passed from his memory and left no mark behind But you will often find it is far different with his first prayers

He will often be able to tell you where he knelt and what he was taught to say and even how his mother looked all the while It will come up as fresh before his mind s eye as if it was but yesterday    *The Duties of Parents* J. C. Ryle,2019-11-22 J C Ryle s concise commonsense guide to the raising of children has stood the test of time He employs his deep understanding of scripture to distill the Bible s teaching on the duties of parents into seventeen powerful principles 1 First then if you would train your children rightly train them in the way they should go and not in the way that they would 2 Train up your child with all tenderness affection and patience 3 Train your children with an abiding persuasion on your mind that much depends upon you 4 Train with this thought continually before your eyes that the soul of your child is the first thing to be considered 5 Train your child to a knowledge of the Bible 6 Train them to a habit of prayer 7 Train them to habits of diligence and regularity about public means of grace 8 Train them to a habit of faith 9 Train them to a habit of obedience 10 Train them to a habit of always speaking the truth 11 Train them to a habit of always redeeming the time 12 Train them with a constant fear of overindulgence 13 Train them remembering continually how God trains His children 14 Train them remembering continually the influence of your own example 15 Train them remembering continually the power of sin 16 Train them remembering continually the promises of Scripture 17 Train them lastly with continual prayer for a blessing on all you do
