Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy to read guide. The techniques are effective and time tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety as well as those striving for peak performance. Tom Akiva, PhD, Assistant Professor, University of Pittsburgh School of Education, Bara Sapir's TPNY's progressive test preparation technique is good for test takers who want an edge when taking the test as well as test takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT; it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past. Dr. Jason Smith, School and Clinical Psychologist, Full Potential GMAT Sentence Correction Intensive, is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700 scores the top business schools like to see. David Petersam, President, Admissions Consultants.
