## COVER LETTER

To HR Staff,

It is with great interest that I am submitting my resume to you for consideration for employment as a Clinical Research Coordinator. My training and experiences closely line up with the job description you have provided in the advertisement. I have over 8 years of hands-on pediatric experience working in home health, outpatient care, and private practices as an assistant speech therapist.

I have additionally completed an intensive course called Clinical Research Fastrack where I obtained 280 hours of education in-depth learning on:

- ICH-GCP guidelines
- Protecting the rights of patients
- GDP and ALCOA-C
- Regulatory affairs and protocol deviations
- FDA Regulations and regulatory affairs

My background in Speech-Language Pathology has developed my:

- Communication and client engagement
- Data management, research, and report writing
- Reputation as a resourceful problem-solver who uses her initiative and organizational skills to get the job done.
- Ability to remain focused and self-directed in a fast-paced work environment while dealing with conflicting demands.

My combined education and experience have given me the needed skills in this position to excel. My interest in research and patient care has inspired me to educate myself about clinical research; which I find fascinating altogether. In addition, I am motivated and passionate and would appreciate the opportunity to contribute to your team's success. I can assure you that meeting with me will not be a waste of your time. I have attached my resume.

Thank you for your time and consideration.

Sincerely,  
Candace Cohen
