It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season. **USA Today Index**, 1996 *The United States Football League, 1982-1986* Paul Reeths, 2017-04-17 One of the most ambitious and short-lived endeavors in professional sports history, the United States Football League was founded in 1982.
