Achieving Excellence Through Customer Service John Tschohl, 2023-04-15 Achieving Excellence Through Customer Service is now in its 15th Edition with updates through 2023 This book is often considered the bible of customer service It will help you understand the power of excellent customer service and identify an implementation plan This book gives you detailed step by step knowledge to establish a customer service strategy that will work for you and your organization In 1979 long before customer service came into vogue I designed a customer service training program that organizations could use to change the attitudes and behavior of employees This was my ninth year in the consulting and training business I saw organizations spend millions on advertising trying to attract customers But then they used baseball bats figuratively to drive them away This was bizarre behavior I felt If these organizations would just The Feelings learning system I developed in 1979 has been used by millions of people throughout the world It is cost effective and user friendly written to be understood by the employee participants not just management and trainers It has been updated many times With COVID throughout the world most organizations gave up on customer service across the world It is worse today than in 1979 This book is written for managers senior and middle managers who influence the customer service of a company by deciding what employees who deal directly with customers on the phone the Internet or in person will deliver an awesome customer experience They tell employees what is expected of them in terms of customer service and they evaluate and report to them their service performance Service leaders and champions of service can use this book to drive a service strategy Entrepreneurs who want to grow their businesses through a service culture will find these ideas valuable Exceptional Customer Service- Retaining your Customers for Life! GERARD ASSEY, 2021-04-12 No business today can afford to ignore two very important people 2C s Your Customer and Your Competitor The person in front of you is your Customer and if this person is not treated well then

the person behind you Your Competitor is just waiting to grab him as he drops from your list Therefore knowing how to win and retain customers is the single most important business skill that anyone can learn The business world makes way for the person who brings in the business and the money and that s the person who wins and keeps customers In today s service oriented economy excellent service is more than a competitive weapon it s a survival skill but distressingly only a few organizations are really delighting their customers Rest assured that if you don t provide this excellent service someone else would This therefore has to be the key focus of every organization to remind themselves that every single person in the organization from the topmost person right to the lowest in rank can effect or have an impact on customers by the way they treat them and therefore must have the hat of a Customer Service Professional always on Sales and Service are not to be looked at separate functions They are two sides of the same coin both having the same ultimate goal To satisfy the customer In today s world it s even more important where Sales Marketing Service and Operations share a common goal Creating and Retaining Customers And to create and retain customers we have to combine Good Selling with Good Service And remember delivering Exceptional Customer Service that makes a positive lasting impression on customers takes more than courtesy it s much more It starts with understanding that Exceptional Customer Service is from the customer s point of view Many organizations spend a lot of time looking inwards and are organized accordingly The truly customer centered organization takes time to think through the procedures and systems that work best for the customer This puts the customer at the very center of the organization What you do how you do it how well it must be done and proving it can be done again and again are only the fundamentals and this book Exceptional Customer Service Retaining your Customers for Life will help you do just that It will help create a memorable experience for every customer by meeting expectations and going beyond satisfying their needs making it easy to do business thereby making everybody win The Customer your Company and the Employees

*Brilliant Customer Service* Debra Stevens,2012-07-10 Keep them coming back for more Brilliant Customer Service is your guide to help you deliver exceptional customer service and keep your customers coming back time and time and again It s for anyone involved in any organisation whether you run your own business manage people or you are a customer facing employee It doesn t matter what your budget is you ll find lots of simple changes you can implement right now to build a highly successful customer service strategy BRILLIANT OUTCOMES Identify your customers real needs and how best to meet them Build trust and long term loyalty with your customers to stay ahead of the competition Make sure you are remembered and recommended **Jumpstart Your Customer Service** Shawn Doyle,Lauren Anderson,2014-02 Turn Your Customers Into Raving Fans Great customer service can be all the difference between a mediocre company and a profitable one In this fun and easy to read book you ll discover 10 Jolts to Jumpstarting Your Own Customer Service Wether you are a small business owner customer service manager or an employee working in customer service this book will upgrade your performance and help you Create raving fans through exceptional customer service Lower marketing expenses by retaining

your current customers and getting free word of mouth Create a work environment that you are excited to go to each day  
Written by small business and customer service activists Shawn Doyle CSP and Lauren Anderson They share practical steps that you can take advantage of right now You ll be inspired with real world stories of extraordinary customer service that will help you see your own small business or position in a whole new way So what are you waiting for Jumpstart Your Customer Service today     **The Best Service is No Service** Bill Price,David Jaffé,2011-09-14 In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences
