Jobs Kerry E. Hannon,2020-08-25 Find out how to secure and thrive in a work from home or remote access job Get out of your work clothes and into pajamas for good Did you fall in love with working from home during the months of coronavirus restrictions Is working in your pajamas appealing Do you want to earn some income on the side In 2020 the workplace has been transformed and working from home has exploded It may in fact be the new reality of working for many of us some full time some as a hybrid work scenario With some information and expert guidance you can transform your workday take control of your time and explore exciting new opportunities Great Pajama Jobs Your Complete Guide to Working from Home is your playbook Until recently you may have gone to an office that was uninspiring or chaotic or spent a large part of your busy day responding to emails and working on computer tasks that could easily be accomplished from home You may have spent hours commuting each day Then too you may be a military spouse in search of an ideal remote job to take with you to a new base or you may need to manage your personal health issues or caregiving duties Or you may simply want to inch a little closer to a more favorable work life balance The truth is you may need the autonomy and flexibility of working remotely for a myriad of reasons Great Pajama Jobs is your ultimate guide to finding a job where you can work remotely and advance your career while working in pajamas or certainly something more comfortable than traditional work garb Learn the nuts and bolts of how to land a remote access job you love that will allow you to thrive in your career or bring in extra income in retirement Discover up to date resources for finding a solid work from home job for professionals Read insightful interviews with professionals who have already made the move successfully Learn more about leading companies recognized for providing remote employment opportunities Explore great remote jobs in a variety of fields There s something here for everyone a job hunter s smorgasbord No this is not the master list of every job under the sun but you ll discover plenty of ideas to spur your imagination about how you can make the most of your talents to create work that well works for you Each job description follows this format the nitty gritty pay range and qualifications needed with a smattering of job hunting tips tossed in In Kerry s Great Pajama Jobs Workshop you ll reap the benefits of professional advice and strategies with information to help you land that work from home job including a resume revamp the best online job boards for home based positions tips on time management and organizing a productive home office tax advice and help with saving for retirement when you re on your own Working from home is here and it s real This year s work from home mandates for many workers around the world due to the coronavirus has pushed many employers to embrace and trust remote work Technology has

already boosted the phenomenal growth of home based employment in recent years and continues to do so Remote jobs are popular for a good reason They save you commute time and allow you to focus on completing your work productively and successfully and they typically provide employers significant cost savings as well You have the flexibility to choose career opportunities that do not require you to commit long hours inside an office environment Experience all that a more flexible position can offer when you look to the guidance found in this remote employment roadmap If you land home office work comfortable work clothing or even PJs may be your wardrobe of the future Great Pajama Jobs will help you get on track to finding the best remote job for you *33 Tips for Working Remotely* Carmen Corral, 2020-09-05 Remote working sounds as easy as grabbing your laptop and heading home But if you ve ever tried it you ll know it s not just a question of moving offices There are several barriers and obstacles involved some external others from yourself Working remotely means you have to adapt to a new and different environment and way of working In this book you ll find How to overcome the difficulties companies and people face when starting telework Practical tips to help you adapt to remote working more quickly Productivity techniques for more efficient remote work Time management techniques for more efficient remote working A look at the differences between remote and office work Exercises to help you discover what works for you personally for better remote working The pros and cons of remote working how to make the most of the flexibility remote work offers Secrets to success working remotely Remote work essential tips for working remotely doing your best work in a virtual world This is a book that every remote worker and future remote worker should read whether you re an employee head of Human Resources CEO or entrepreneur This book is for you if You re starting out remote working and you need a little support to adapt to this new way of working You re already remote working and want to take it up a notch get organized and be more efficient You think you could get a little more out of your day to day work You really want to make the most of the flexibility your telecommute offers This productivity guide to being more efficient while teleworking goes much further than just giving you generic magical formulas that the best leaders supposedly use Here you ll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs Don t wait to improve your personal productivity while working remotely online You ll learn skills that will help you in both your professional and personal development The remote work revolution is here and succeeding from anywhere is now possible Many more jobs can be done remotely than we think Most office work could be done from home but there are other things you d never think of customer service phone lines psychotherapy life coaching yoga teaching Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities With remote work office not required and telecommuting will bring many advantages to us and the environment Let s work remotely for a better world The pandemic has forced us into remote working with no clue how to do it without the means without the preparation needed The good thing is that it has given us the great opportunity to work from home which might

otherwise have taken years or even decades to arrive. Remote work is the new normal. There is going to be more and more remote employment. It's up to you to adapt to it and to take advantage of all the benefits it holds for your career. Carmen Corral has been remote working for more than eight years both for companies and for herself. After more than ten years working in Human Resources and Personnel Development, stuck in an office from Monday to Friday 9 to 5, she decided to do something that gave her more flexibility in when and where she worked. Now she works remotely while traveling the world.
