The Sons The Schocken Kafka Library:

The Sons Franz Kafka, 1989-08-05 From one of the greatest writers of the twentieth century the author of *The Trial* Three stories he published in his lifetime including his best known tale *The Metamorphosis* I have only one request Kafka wrote to his publisher Kurt Wolff in 1913 *The Stoker* *The Metamorphosis* and *The Judgment* belong together both inwardly and outwardly There is an obvious connection among the three and even more important a secret one for which reason I would be reluctant to forego the chance of having them published together in a book which might be called *The Sons*

Psychoanalysis, Fatherhood, and the Modern Family Liliane Weissberg, 2021-10-30 To what extent are the concepts of fatherhood and family as proposed by Sigmund Freud still valid Psychoanalysis Fatherhood and the Modern Family traces the development of Freud's theory of the Oedipus complex and discusses his ideas in the context of recent psychoanalytic work new sociological data and theoretical explorations on gender and diversity Contributors include representatives from many academic disciplines as well as practicing psychoanalysts who reflect on their experience with patients Their exciting essays break new ground in defining who a father is and what a father may be *Kafka's Last Trial* Benjamin Balint, 2018-09-18 Winner of the 2020 Sami Rohr Prize for Jewish Literature Dramatic and illuminating Balint raises momentous questions about nationality religion literature and even the Holocaust Adam Kirsch *The Atlantic* When Franz Kafka died in 1924 his loyal friend Max Brod could not bring himself to fulfill Kafka's last instruction to burn his remaining manuscripts Instead Brod devoted his life to championing Kafka's work rescuing his legacy from both obscurity and physical destruction Nearly a century later an international legal battle erupted to determine which country could claim ownership the Jewish state where Kafka dreamed of living or Germany where Kafka's three sisters perished in the Holocaust Benjamin Balint offers a gripping account of the controversial trial in Israeli courts brimming with dilemmas legal ethical and political that determined the fate of Kafka's manuscripts

Letter to the Father/Brief an den Vater Franz Kafka, 2015-11-03 A son's poignant letter to his father from the author of *The Metamorphosis* and *The Trial* and one of the most important writers of the twentieth century One of the great confessions of literature *The New York Times Book Review* Franz Kafka wrote this letter to his father Hermann Kafka in November 1919 Max Brod Kafka's literary executor relates that Kafka actually gave the letter to his mother to hand to his father hoping it might renew a relationship that had lost itself in tension and frustration on both sides But Kafka's probing of the deep flaw in their relationship spared neither his father nor himself He could not help seeing the failure of communication between father and son as another moment in the larger existential predicament depicted in so much of his work Probably realizing the futility of her son's gesture Julie Kafka did not deliver the letter but instead returned it to its author

Judaism in Contemporary Thought Agata Bielik-Robson, Adam Lipszyc, 2014-04-03 The central aim of this collection is to trace the presence of Jewish tradition in contemporary philosophy This presence is on the one hand undeniable manifesting itself in manifold allusions and influences on the other hand difficult to define rarely

referring to openly revealed Judaic sources Following the recent tradition of Levinas and Derrida this book tentatively refers to this mode of presence in terms of traces of Judaism and the contributors grapple with the following questions What are these traces and how can we track them down Is there such a thing as Jewish difference that truly makes a difference in philosophy And if so how can we define it The additional working hypothesis accepted by some and challenged by other contributors is that Jewish thought draws explicitly or implicitly on three main concepts of Jewish theology creation revelation and redemption If this is the case then the specificity of the Jewish contribution to modern philosophy and the theoretical humanities should be found in sometimes open sometimes hidden fidelity to these three categories Offering a new understanding of the relationship between philosophy and theology this book is an important contribution to the fields of Theology Philosophy and Jewish Studies **Forthcoming Books** Rose Arny,1990 **The Publishers Weekly** ,1972
