The Sound Of Broken Absolutes:

The Sound of Broken Absolutes Peter Orullian, 2015-05-16 Two men One old On young Both possess a gift A gift of music with the power to change things Even destroy The younger is called back to his homeland To war The other embarks on an inward journey into his past as he sets to repair a broken viola An instrument with meaning to him A resonant kind The music each man will make will have an absolute quality And it will change them both **Metropolis Pt. 2: Scenes from a**

Memory Peter Orullian, 2024-10-26 Nicholas Santori a sound engineer who specializes in audio recovery has had troubling dreams all his life With the anniversary of his daughter s death those dreams have gotten worse threatening the stability of his family and perhaps his own safety After receiving cryptic messages about his dreams from his clairvoyant son Nicholas seeks help from an eccentric hypnotherapist with questionable intentions During regression Nicholas learns that in a former life he was a young girl named Victoria Page that she was murdered and that her case was never truly solved Believing he can end his nightmares if he can solve Victoria s murder he finds retired detective Colin Murphy who s been obsessed with Victoria s case since he saw her lying dead seventy years ago in the house where Murphy now lives Together they hope to solve the cold case while someone is desperately trying to stop them Orullian deftly weaves the two sides of this interconnected story across the twentieth century From nightmares to zeppelins to anechoic chambers to train heists to mafia hits to speakeasies to heartfelt conversations about loss Orullian s propulsive imagining of Dream Theater s critically acclaimed album *Metropolis Pt 2 Scenes from a Memory* is by turns thrilling suspenseful and poignant *The Astonishing* Peter Orullian, John Petrucci, 2019-03-14 BASED ON THE HIT ALBUM BY PROGRESSIVE METAL GIANTS DREAM THEATER In a not so distant future our world has returned to the ugliness of feudalism Only this time those in power control the servant class with the very thing that once inspired men to rise up and take back their lives music But it is not the music of old That music is forgotten No this new music is engineered entirely by machines This music suppresses that part of humanity which might be inspired This music suppresses hope But what is old will be made new again In the village of Ravenskill lives a young man Gabriel who comes with a gift of power A gift of music As a human expression Gabriel s brother Arhys leads a rebel militia that is trying to liberate the people And he believes Gabriel s gift is the key a key he hopes will help him keep a promise he made to his wife on her deathbed But the emperor and his son have different plans to maintain control Those plans may find an unlikely challenger in their own family And the resulting conflict may yield lasting consequences For them all With music as a moving force the choices each player must make will bring them to a shared moment of pain And perhaps redemption **Graham Greene's Fictions** Cates Baldridge, 2000 **Discovering the Dark Side of Life** willianinnovador, 2025-10-18 *Discovering the Dark Side of Life* is a poetic journey through grief resilience and the quiet beauty of surviving It reveals how light and shadow coexist how despair can sculpt meaning and how joy fragile as it is often grows from the deepest wounds This book isn t about escaping darkness it s about discovering its purpose **The**

Sound Studio Alec Nisbett,1993 **Broken Screen** Doug Aitken,2006 To the Chinese people jade is a precious stone endowed with magical properties which encapsulated all that mankind aspires to in terms of character elegance tranquility purity and virtue The Chinese love jade not merely because of its rarity or its luster but because of a deeper aesthetic value Chinese Jade The Spiritual and Cultural Significance of Jade in China presents a comprehensive view of jade and its history in China from Neolithic times to the Qing dynasty It illustrates pieces of jade that are on display not only in the Palace Museum in Beijing but in the many provincial and other museums across China It will help the reader to understand what jade means to the Chinese in China how it is classified and described and where it is found and worked and displayed It has a value beyond that of a simple catalogue and places jade in its natural and central cultural context Building English Vocabulary With Etymology Introduction Peter Beaven,2017-02-18 Etymology is the study of word origins and development It provides one of the easiest and most effective ways to build vocabulary because knowledge of some common roots and prefixes makes possible the figuring out of new word meanings English is compounded of several languages primarily Anglo Saxon Germanic and Latin Historically the Angles and Saxon tribes occupied Britain after expelling the Celts to Ireland Beginning in the first century BCE Julius Caesar's legions conquered and occupied Britain and Roman troops remained until the fifth century Their Latin influence persists notably in the names of English cities ending in -caster or -chester from the Latin castra meaning encampment This series of books focuses then on etymology from Latin and Greek The texts are designed to aid in learning the definitions of specific deconstructed words **Detective Carson Ryder Thriller Series Books 1-3: The Hundredth Man, The Death Collectors, The Broken Souls** J.
