The Unbearable Lightness of Legal Antipaternalism Giorgio Maniaci, 2025-07-09 The book pays homage to and deepens the well known themes of *On Liberty* by John Stuart Mill and *Harm to Self* by Joel Feinberg It explores topics such as the arguments for and against legal paternalism and antipaternalism

the value of individual autonomy in support of legal antipaternalism the slippery slope argument and moral perfectionism in favor of paternalism But is the value of individual autonomy an unstoppable force Is it an irresistible argumentative force Is its lightness unbearable The central question debated by legal paternalists and antipaternalists is the extent to which individuals can legitimately make decisions about their own bodies and lives provided they do no harm to others In order to address that question the book presents expert analyses of highly controversial moral and legal issues regarding the legitimacy or illegitimacy of practices such as prostitution violent sadomasochistic behavior drug trafficking and drug consumption euthanasia assisted suicide extreme sports and voluntary slavery contracts Pursuing a legal moral and philosophical approach based on the author s extensive research it makes valuable contributions to the fields of legal and moral ethics legal and moral philosophy and criminal law and doctrine *Waking Romeo* Kathryn Barker, 2022-01-04

Menon, 2012-12-01 **THE WORLD THROUGH A FEMINIST LENS** For Nivedita Menon feminism is not about a moment of final triumph over patriarchy but about the gradual transformation of the social field so decisively that old markers shift forever From sexual harassment charges against international figures to the challenge that caste politics poses to feminism from the ban on the veil in France to the attempt to impose skirts on international women badminton players from queer politics to domestic servants unions to the Pink Chaddi campaign Menon deftly illustrates how feminism complicates the field irrevocably Incisive eclectic and politically engaged *Seeing like a Feminist* is a bold and wide ranging book that reorders contemporary society *Toasts to the Bride and how to Propose Them* Mervyn J. Howard Marshall, 1978-07-14 The three Epistles of John according to the author are concerned with the fundamentals of Christian belief and life faith and love The reader who grasps the message of these short but essential letters will have a sound basis in Christian doctrine This group of Epistles is also a good starting point for the study of the Gospel of John This important commentary was written not only so that students of the Bible might master the content of John s Epistles but that they might come to a proper understanding of Johannine theology as a whole **The Human Condition** Nina
