Aeltheris Rising fAlzi, 2025-06-03 In the heart of Druvamer a city steeped in a history meticulously preserved by the Whisper Archive Lyra a gifted apprentice Whisperbinder stumbles upon a terrifying secret a forbidden section of redacted memories known as the Eternal Redaction Her discovery coincides with the arrival of Jorran a rogue thief haunted by missing memories and marked by an ancient pulsing tattoo whose forced entry into the Archive triggers a series of unsettling events As Lyra and Jorran delve deeper they uncover a meticulously crafted deception spanning millennia They learn of Aeltheris the Seventh God not a deity of divine power but the embodiment of collective thought and forgotten consciousness systematically erased from Druvamer's history This suppression was engineered by the city's founders and maintained by a powerful clandestine group the Grand Archivist and her faction Their aim To control reality by manipulating memory itself a process terrifyingly evident in the widespread memory plague afflicting the capital causing citizens to forget their very identities The true nature of this war over truth is revealed through the discovery of black glyphs that rewrite living minds and the theft of the legendary Dagger of Reversal capable of unmaking history Lyra and Jorran's quest leads them to the chilling Mirror Archive a repository of unfulfilled intentions where they confront the horrifying truth of their own fabricated pasts their lives meticulously orchestrated to serve the Grand Archivist's agenda Trapped within the Archive during a city wide lockdown they uncover the Bone Choir a skeletal testament to Druvamer's true unredacted history revealing a deeper conspiracy involving the Guild of Inkless Scribes These zealots believing Aeltheris to be their rightful god seek to unleash its chaotic power to shatter all existing memory and forge a new reality The climax unfolds in the Vault of Void the true prison of Aeltheris where Lyra now revealed as a Soul Scribe with a unique connection to the deleted god clashes with the Grand Archivist Jorran's desperate sacrifice using the Dagger of Reversal to erase his own memory and disrupt the Grand Archivist's ritual buys Lyra the crucial moments she needs Guided by the Oracle's last memory and embracing her power Lyra reshapes Aeltheris into the Memory Chain a harmonious network of interconnected

consciousness restoring truth and empathy to Druvamer The city enters a new era subtly transformed by the re established flow of collective memory guided by Lyra the Soul Scribe who alone remembers the silent hero who made it all possible

councils closed the biblical canon in the fourth century others have simply turned to dust The oldest biblical manuscripts in existence are the Dead Sea Scrolls which go back to approximately 100 B C E And the oldest Christian manuscripts are those found in the Gnostic library of Nag Hammadi in Egypt written in the fourth century C E But they don t contain any of the canonical books All other information comes to us via copies of copies Before invention of the printing press in 1450 all replication was by hand which allowed countless variations to creep into texts Especially after translation into multiple languages many stories evolved into a wide spectrum of versions Which is the true version It is impossible to say The aim of this volume is to be concise rather than exhaustive thus making available to general readers the main sources of Judeo Christian thought without the distraction of scholarly disputes For the benefit of those who may question the interpretation of certain documents or who wish more information about original sources a selected bibliography is included It should be remembered that the books in this volume were written by very primitive people who were trying to make sense of the world with the only information they had But even in those days most of these authors were not considered educated by their Greek and Roman contemporaries Moreover the Jewish and Christian leaders who created the biblical canon rejected the majority of these documents as products of overheated imagination So there are times when descriptions necessarily become a bit whimsical Always however the goal has been to cover the author s main points while eliminating only the extraneous Even though many of these books did not end up in any authorized Bible they have nevertheless been extremely influential in the evolution of religious traditions To this day sermons theological doctrines and Sunday school lessons are still based on these extra canonical sources Where did medieval artists get the idea for all those paintings about the Assumption of the Virgin There s nothing in the Bible about any such event How do Catholics justify their doctrine that Mary remained a virgin all her life even though the Bible says Jesus had several brothers and sisters Where did Dante Alighieri get his concepts about the levels of hell Where did John Milton get the plot for his story about Lucifer the fallen angel The documents contained in this book are where those ideas and a myriad others all came from
