Wicked Collection Morris Gleitzman:

Australian Children's Books, 1980-2000 Marcie Muir, Kerry White, 2004 All Australian children's books published from 1989 to 2000 are listed in this essential reference for those who appreciate the richness of Australian writing for children. Following the same format as volumes 1 and 2 in this series chronicling books published as early as 1774, entries include publishing details, the number of illustrations, and the awards received for each book. This third volume follows the continuing careers of authors such as Mem Fox, Bob Graham, Robin Klein, and Paul Jennings and traces changes in the popularity of Australian themes and settings to identify publishing trends. Varied cultural aspects of modern day life are shown from globalization, commercialism, and the rise of the middle class in Asia to desktop publishing, outcome-based school curricula, and the modern obsession with celebrities, all of which are reflected in the type and quantity of books produced by Australian writers and publishers. The wealth of included material will extend researchers' understanding of the range of Australian children's books.

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever-growing interest from researchers and students in the genre as a cultural object of study and tool for education and socialization.

Children's Literature And Computer Based Teaching Unsworth, Len, Thomas, Angela, Simpson, Alyson M., 2005-06-01 Provides information on ways to implement lessons and activities in children's literature through information and communications technology.

Australian Books in Print 1998 Bowker, 1998-04 excellent coverage essential to worldwide bibliographic coverage.

AMERICAN REFERENCE BOOKS ANNUAL This comprehensive reference provides current finding ordering information on more than 75 000 in print books published in or about Australia or written by Australian authors organized by title, author, keyword. You'll also find brief profiles of more than 7 000 publishers, distributors whose titles are represented as well as information on trade associations, local agents of overseas publishers, literary awards, more.

Boys and Books James Moloney, 2002 Declining literary standards for boys is an issue of widespread concern. This must-have book for parents of boys looks at why boys don't read and why they should. James Moloney explains the vital role of parents, particularly fathers, offering practical strategies on how to create a reading environment for boys at home. The book also includes updated comprehensive lists of recommended reading.

International Film Guide, 1982 The Reading Bug Paul Jennings, 2004 In a clear and humorous style, this book explains how you can open the world through a love of books. The author has cut through the jargon and the controversies to reveal the simple truths which will enable every parent to infect their child with the reading bug.
