(CliffNotes-like Book Summary & Analysis) Paul Kraly, Paula Kalamaras, 2012-07-30 ABOUT THE BOOK I should be grateful that I had a ringside seat to the monstrous scenario Ted Bundy acted out as the glamour boy of homicide I am not grateful I would rather I'd never had a book of my own much less twenty nine and that Ted's victims had lived If only I had the power to make none of it real The Stranger Beside Me xii xiii The Stranger Beside Me is at once an autobiographical book and a true crime expose Published originally in 1980 nine years before Ted Bundy's execution it has been revised and updated in 1986 1989 2000 and in 2008 9 to coincide with the twentieth anniversary of Bundy's execution The Stranger Beside Me was the book that began Ann Rule's successful career as a true crime writer What makes the 20th anniversary reissue of the book so intriguing is that Ann Rule has returned to this seminal book adding chapters and insight into her odd relationship with one of the United States worst serial killers Theodore Robert Bundy or Ted as she calls him While sitting next to Ted as they worked the phones on the night shift of a crisis center Ann never had a clue about his disturbing double life What also makes The Stranger Beside Me so intriguing is that while Ted is rampaging through his murders Ann's career is growing as well EXCERPT FROM THE BOOK Meanwhile Bundy was getting references for law school from his Republican buddies and was about to leave Washington for Utah Commentary These chapters are pivotal to the Bundy saga Rule explains in exhausting detail with names and dates what was occurring in Washington at this time From the task force to the witness statements a clear picture of the killer and his victimology was beginning to emerge In 1974 computers were not as accessible as they are now so much of the comparison was done on hard copy and through manual labor This delayed results and enabled Bundy to act with impunity throughout the state despite his name being sent to the authorities by Rule and even his girlfriend By all appearances Bundy was a smart law student with a bright future ahead of him Even after he was apprehended there was a kind of cult of Bundy that claimed his innocence Even People Magazine raised doubts about his culpability and bought into the feeding frenzy that his trials became These chapters begin to consolidate the evidence and reveal Rule's interactions with police and yet continue her willful blindness to the problem that was Bundy Chapter by Chapter Summary and Commentary Summary Chapter 12 begins with a recap of the four Teds considered suspects worthy of investigation Since there were artist renderings of the suspect from Lake Sammamish several respected persons seemed to recognize Bundy as matching the drawing This included his girlfriend Meg Anders real name Elizabeth Koepfler who not only recognized the drawing but knew of plaster of paris in her medicine cabinet and that her VW was used by her fiance Ted Bundy She confided her fears to a friend and was encouraged to report Ted to the authorities She was wracked with guilt over doing this and not letting Ted know While Meg was anguished over reporting her boyfriend now a Utah law student to the police bodies were being found in the mountains throughout the late summer and early fall of 1974 Ted was settled in Utah but traveled back to Seattle to finish some business and try to assure Meg of his affection although not marriage As he once told Ann Rule much later after

he was arrested Why should I want to attack women I had all the female companionship I wanted I must have slept with half a dozen women that first year in Utah and all of them went to bed with me willingly buy the book to continue reading **The stranger beside me** Mabel Seeley, The I-5 Killer Ann Rule,1984-03-01 The terrifying true crime story of the I 5 serial killer from Ann Rule the 1 New York Times bestselling author of *The Stranger Beside Me* Randall Woodfield had it all He was an award winning student and star athlete He was drafted by the Green Bay Packers to play in the NFL and chosen by Playgirl as a centerfold candidate Working in the swinging West Coast bar scene he had his pick of willing sexual prospects But Randall Woodfield wanted more than just sex An appetite for unspeakable violent acts led him to cruise the I 5 highway through California Oregon and Washington leaving a trail of victims along the way As the list of his victims grew to a total of at least 44 the police faced the awesome challenge of catching and convicting a suspect who seemed too handsome and appealing to have committed such ugly crimes crimes that filled every woman within his striking range with fear and horror
