Moon Over Soho Ben Aaronovitch, 2011

I was my dad's vinyl wallah I changed his records while he lounged around drinking tea and that's how I know my Argo from my Tempo And it's why when Dr Walid called me to the morgue to listen to a corpse I recognised the tune it was playing Something violently supernatural had happened to the victim strong enough to leave its imprint like a wax cylinder recording Cyrus Wilkinson part time jazz saxophonist and full time accountant had apparently dropped dead of a heart attack just after

finishing a gig in a Soho jazz club He wasn't the first No one was going to let me exhume corpses to see if they were playing my tune so it was back to old fashioned legwork starting in Soho the heart of the scene I didn't trust the lovely Simone Cyrus ex lover professional jazz kitten and as inviting as a Rubens portrait but I needed her help there were monsters stalking Soho creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune What they take is beauty What they leave behind is sickness failure and broken lives And as I hunted them my investigation got tangled up in another story a brilliant trumpet player Richard Lord Grant my father who managed to destroy his own career twice That's the thing about policing most of the time you're doing it to maintain public order Occasionally you're doing it for justice And maybe once in a career you're doing it for revenge The Hanging Tree Ben Aaronovitch, 2016-11 Suspicious deaths are not usually the concern of PC Peter Grant or the Folly even when they happen at an exclusive party in one of the most expensive apartment blocks in London But Lady Ty's daughter was there and Peter owes Lady Ty a favour Plunged into the alien world of the super rich where the basements are bigger than the house and dangerous arcane items are bought and sold on the open market a sensible young copper would keep his head down and his nose clean But this is Peter Grant we're talking about He's been given an unparalleled opportunity to alienate old friends and create new enemies at the point where the world of magic and that of privilege intersect Assuming he survives the week *Talking Book Topics* , 2015 **The Golden Rule** , 1896
