Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness giving back to the world being grateful for what you have sort of way. But in a ruling your world being the most desired powerful badass in the room way so you can come out on top of any situation guys career friends enemies whatever. How does a bitch make that happen. Here are some highlights DON'T BE EASY DON'T BE POOR DON'T BE UGLY. We didn't come up with these life lessons. We're just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcees. This is how to deal with your problems when you have no problems. You're welcome. *She Started It* Sian Gilbert, 2023-06-13 A hot twisty summer debut thriller about a Caribbean bachelorette party that takes a sinister turn. It's Lord of the Flies meets *And Then There Were None* but with Instagram and too much prosecco. The party of a lifetime is nothing like what they expected. Annabel Esther Tanya and Chloe are best friends or were as children. Despite drifting apart in adulthood shared secrets have kept them bonded for better or worse even as their childhood dreams haven't quite turned out as they'd hoped. Then one day they receive a wholly unexpected but not entirely unwelcome invitation from another old friend. Poppy Greer has invited them all to her extravagant bachelorette party a first class plane ticket to three days of white sand cocktails and relaxation on a luxe private island in the Bahamas. None of them has spoken to Poppy in years. But Poppy's Instagram pics show that the girl they used to consider the weakest link in their group has definitely made good and made money. Curiosity gets the better of them. Besides who can turn down a posh all expenses paid vacation on a Caribbean island. The first class flight and the island's accommodations are just as opulent as expected even if the scenic island proves more remote than they'd anticipated. Quite remote in fact with no cell service and no other guests. The women quickly discover they've underestimated Poppy and each other. As their darkest secrets are revealed the tropical adventure morphs into a terrifying nightmare. Endlessly twisty sharply observant and deliciously catty *She Started It* is sure to shock readers until the very end.
