Inspire students to be responsible and self aware decision makers Management 16th Edition supports active and engaged course environments while centralizing new topics such as artificial intelligence diversity equity inclusion and social impact With a focus on career application the underlying goal is to translate foundational theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test Private Equity as an Asset Class Guy

Fraser-Sampson, 2011-12-01 Unfairly reviled and much misunderstood private equity differs from all other asset classes in various important respects not least the way in which its fund mechanisms operate and the way in which its returns are recorded and analysed Sadly high level asset allocation decisions are frequently made on the basis of prejudice and misinformation rather than a proper appreciation of the facts Guy Fraser Sampson draws upon more than twenty years of experience of the private equity industry to provide a practical guide to mastering the intricacies of this highly specialist asset class Aimed equally at investors professionals and business school students it starts with such fundamental questions as what is private equity and progresses to detailed consideration of different types of private equity activity such as venture capital and buyout Rapid and significant changes in the environment during the recent financial crisis have prompted the need for a new edition Separate chapters have been added on growth and development capital as well as secondary investing Newly emergent issues are considered such as lengthening holding periods and the possible threat of declining returns Particular problems such as the need to distinguish between private equity and hedge funds are addressed The glossary has also been expanded In short readers will find that this new edition takes their understanding of the asset class to new heights Key points include A glossary of private equity terms Venture capital Buyout Growth capital Development capital Secondary
