Financial aid is awarded to students based on 2018 income according to federal regulations. If a student's income (or parents' income, if dependent) for 2019 is significantly less than 2018 income due to a loss of job, we may be able to recalculate the financial aid award based on the 2019 income. To be considered, students must submit the documentation that pertains to their financial situation as outlined on the back of this page.

Please remember that incomplete requests will not be reviewed. Students must have completed their 2020-21 FAFSA using 2018 tax information and provided any additionally requested documentation to be eligible for a financial aid tax year review. Please also note that a student may only be granted a Petition for Tax Year Review one time during their educational career at Minneapolis College.

Please list the total yearly (not monthly) income figures for each applicable individual/couple below for the calendar year 2019. (If not required to report parent information on FAFSA, ignore father and mother columns.) All income entries must have corresponding documentation attached.
