The Ultimate Sleep Easy Guide Shawn Walker,Chris Stevenson,2020-02-14 Do you want to live happier and serene days by understanding how to sleep better and completely eliminate your daily stress and negative feelings What is sleep The most common answer and belief is that it's just a time during which our body and mind stop working In reality what actually

happens is nothing like that sleep is an extremely important and active period during which many vital processes take place. Getting good sleep is vital for your well being and health. Without proper sleep your body won't be able to regulate its hormones or rest your muscles and your cortisol levels will skyrocket along with your stress. You might not know this but about half of the global population suffers from 70 different sleep disorders with more or less serious repercussions to their everyday life among a list of many we can find sadness, stress and drowsiness during the day, lack of energy or constant tiredness. When you are not sleeping well your body and mind are not functioning properly and this can affect your day quite a bit. The effects can vary maybe you might not be able to carry out simple tasks like getting along with others or more complex ones like working on a project with an imminent deadline. By sleeping you restore your body and mind regaining that mental and physical strength necessary to face the following day. The purpose of this book after months of research is to give you the most up to date and relevant sleep hacks discovered all around the globe to help you live a happier and better life. Here's the benefits that you will gain from reading this book: Greatly improved sleep quality while teaching your body how to sleep for the right amount of time. The elimination of all feelings of drowsiness, lack of concentration during the day. Reduced levels of Daily Stress and Anxiety. More energy than you ever dreamed of. Improved relationships along with your emotional and social intelligence. Healthy brain functions and mental health. Better physical health and better control of your body.
