Streaming Top Shows Goodreads Choice Near Me:

The Best American Science Fiction and Fantasy 2017 N.K. Jemisin, Peter S. Beagle, Caroline M. Yoachim, Brian Evenson, Dale Bailey, 2017-10-03 Stories by N. K. Jemisin, Dale Bailey, Peter S. Beagle and more Showcases the nuanced playful ever expanding definitions of the genre The Washington Post Science fiction and fantasy can encompass so much from far future deep space sagas to quiet contemporary tales to unreal kingdoms and beasts But what the best of these stories do is the same across the genres they illuminate the whole gamut of the human experience interrogating our hopes and our fears With a diverse selection of stories from major award winners bestsellers and rising stars chosen by series editor John Joseph Adams and guest editor Charles Yu *The Best American Science Fiction and Fantasy 2017* continues to explore the ever changing world of SFF today with Yu bringing his unique view literary meta and adventurous to the series third edition Superb This mostly dystopic sometimes darkly humorous collection of 20 hard hitting stories feels timely confronting contemporary cultural crises Publishers Weekly starred review **Freida McFadden 3 Book Boxed Set 1** Freida McFadden, 2025-10-21 Deceit runs deep Trust no one Dive into Freida McFadden at her most diabolical times three From 1 New York Times bestseller and TikTok sensation comes a collection of three twisted thrillers *The Teacher* *The Coworker* and *The Boyfriend* *The Teacher* Eve has a good life She gets up each day gets a kiss from her husband Nate and heads off to teach math at the local high school All is as it should be Except Last year Caseham High was rocked by a scandal involving a student teacher affair with one student Addie at its center But Eve knows there is far more to these ugly rumors than meets the eye Addie can't be trusted She lies She hurts people She destroys lives At least that's what everyone says But nobody knows the real Addie Nobody knows the secrets that could destroy her And Addie will do anything to keep it quiet *The Coworker* Dawn Schiff is strange At least everyone thinks so at Vixed the nutritional supplement company where Dawn works as an accountant She never says the right thing She has no friends And she is always at her desk at precisely 8:45 a.m. So when Dawn doesn't show up to the office one morning her coworker Natalie Farrell beautiful popular top sales rep five years running is surprised Then she receives an unsettling anonymous phone call that changes everything It turns out Dawn wasn't just an awkward outsider she was being targeted by someone close And now Natalie is irrevocably tied to Dawn as she finds herself caught in a twisted game of cat and mouse that leaves her wondering who's the real victim But one thing is incredibly clear somebody hated Dawn Schiff Enough to kill *The Boyfriend* Sydney Shaw like every single woman in New York has terrible luck with dating She's seen it all men who lie in their dating profile men who stick her with the dinner bill and worst of all men who can't shut up about their mothers But finally she hits the jackpot Her new boyfriend is utterly perfect He's charming handsome and works as a doctor at a local hospital Sydney is swept off her feet Then the brutal murder of a young woman the latest in a string of deaths across the coast confounds police The primary suspect A mystery man who dates his victims before he kills them Sydney should feel safe After all she is dating the guy of her dreams But she can't shake her own

suspicious that the perfect man may not be as perfect as he seems Because someone is watching her every move and if she doesn't get to the truth she'll be the killer's next victim
