*Biblical Superfoods* Josiah Whitaker,2025-10-16 Some say modern food has made us more connected than ever But the truth is it has left us tired foggy inflamed and spiritually numb You won t find healing in the next trend You ll find it in remembering what God already declared good from the very beginning This book is your invitation to return to the original nourishment God designed Not a trendy diet Not a restriction plan But a sacred way of eating that once filled bodies with vitality and souls with clarity These are the foods of Eden the oils of anointing the grains of covenant the herbs of cleansing and the rhythms of fasting and feasting that aligned people with divine wisdom They weren t just for survival They were part of the way God taught His people to live rejoice and heal Now they can transform your health too What You ll Discover Inside The Original Diet of Eden

and why God's first instructions around food still hold the keys to modern healing energy and clarity. The sacred meaning of foods like figs, honey, olive oil, and ancient grains, and how they nourished both body and spirit throughout Scripture. How biblical herbs, bitters, and clean vs unclean laws reveal a hidden system of healing designed to protect and realign the body. The divine rhythms of fasting, feasting, and fermentation, and how they shaped spiritual strength and long-term vitality. How to rebuild your pantry in alignment with biblical wisdom, even in today's food culture of additives, marketing, and artificial abundance. Why eating can become a form of worship, and how to turn every meal into a spiritual act of remembrance, gratitude, and renewal. This isn't a book of rules; it's a return to alignment. You'll feel the difference not just in your energy or digestion but in how you pray, how you focus, how you feel after a meal. The foods God gave were never meant to numb us. They were meant to awaken us. If your heart has ever whispered, "There must be a better way to live," this is the answer. Read the book "Return to the Table" again with what God intended. Do you ever find yourself completely sapped with exhaustion but still feel as though you haven't done half the things you needed to get done today? Imagine reading this job advertisement in a newspaper: POSITION AVAILABLE PARENT full-time, long days, seven days a week, some time off in the evenings. While no previous experience is necessary, the applicant must demonstrate the following: You must be a kind, considerate person. This position requires a competent self-starter with excellent communication skills. Must be able to provide an atmosphere of love and support. The ability to be adaptable and flexible is essential. Strong leadership skills are an advantage. A willingness to put yourself second is required. Entertainment skills will be highly regarded, though great talent in this area is not essential. Must be able to work with limited supervision and be on call 24 hrs a day. Current driver's license would be an advantage. Duties include cooking, cleaning, teaching, nursing, social working, psychology, conflict resolution, driving, buying, selling, managing, entertaining, general administration, and washing the dog. Although this is a non-paying voluntary and life-long position, a modest salary package of joy, laughter, and affection is included to help prevent you from walking out. Sounds familiar?
