He started and Abigail held her breathe in anticipation. She was a little nervous. First, you will be home before or during twilight. Any later than that and you'll be punished. Understand, Abi blinked. She didn't expect that this was actually his first rule. I understood. I just thought that my curfew is pretty early. She trailed off but Alexander just looked at her with eyes silently saying the words: my house, my rules. Second, while you're in this house, you will listen to no one but me. Only do what I ask you to do. Understand, Abi nodded again. And last but not the least, I won't ask or demand for your love. Got it, Abi took the words out of his mouth and Alexander's eyes glittered with something she couldn't fathom as a smile curved on his face. ____
