deconstructs the concept of educational leadership within various education settings originating from diverse global  
environments It focuses on presenting different readings of educational leadership via distinct theoretical and  
methodological applications It takes forward the idea of critical leadership studies and uses creative analytic practices to  
present layered readings of educational leadership The book offers leadership studies dealing with various education settings  
across a wide spectrum with international perspectives It provides examples of educational narratives through somewhat  
unconventional modes of representation This book is beneficial to readers interested in the study of educational leadership
